## AMERICAN SHIPS CONVOY VITAL SUPPLIES THROUGH FORMOSA STRAIT WATERS

### BULLETIN

QUEMOY (AP)—Chinese Reds loosed an intense saturation shelling today and forced a Chinese Nationalist convoy to withdraw from Quemoy's beach after unloading only a few supplies for this outpost garrison off the mainland.

Warships of the U. S. 7th Fleet escorted the Nationalist ships to the vicinity, but held back from the beach.

Thirteen warships were visible from the shore, but they were not close enough to be clearly identified as American.

The Communist artillery waited 30 minutes after the first two Nationalist supply ships hit the beach. The two ships were unloading their supplies and two more had started a run for the beach when the guns opened up.

The Red batteries earlier had lobbed in a few shells, apparently to test range.

### By FORREST EDWARDS

TAIPEI, Formosa (AP)—Chinese Nationalist supply ships, convoyed by American warships, reached Quemoy beach today but were forced back by a heavy Red artillery barrage before they could unload the bulk of their cargo.

Associated Press correspondent Gene Kramer, in a dispatch from Quemoy off the Red mainland, said an "intense saturation shelling" forced two supply ships to withdraw after they had unloaded only a few supplies for the beleaguered Nationalist garrison.

American warships stood off at a distance, he said.

The Nationalist Defense Ministry said earlier that the supply ships had returned undamaged to their Pescadores base after unloading.

This was the first attempt to run supplies to the garrison since Monday, when Communist artillery fire blew up an ammunition ship on the Quemoy beach and forced another to retreat after losing most of its cargo.

Stormy weather prevented the dispatch of convoys on Tuesday and Wednesday.

The Red artillery opened up at the appearance of the convoy today after being silent 21 hours.

Meantime, the admiral commanding the fleet's carrier planes said that any Communist planes attacking U. S. aircraft will be pursued to the coast of Communist China and possibly beyond.

The Communist shore guns had been silent for 21 hours, but a storm in the Formosa Strait Wednesday had prevented dispatch of a convoy.

The American ships conveyed the desperately needed supplies through the international waters of the Formosa Strait for the first time on Sunday. That time there was no Red opposition.

The second supply convoy was Monday. Communist artillery blew up a Nationalist ammunition ship on the beach. The other landing barge backed off and lost most of its supplies.

The U. S. command on Formosa announced that American jet pilots have begun taking an active part in the defense of Formosa itself.

A spokesman said American air units are now in position at bases here and "have assumed full alert responsibilities for nighttime defense of Taiwan (Formosa)."

That means the planes stand on (Turn to Page Sixteen)

BEIRUT, Lebanon (AP)—A second battalion of U. S. Marines will sail home from Lebanon next week, but retiring President Camille Chamoun says the remaining 10,000 American troops may stay here until the end of October.

The 1,700-man battalion will begin boarding ships Monday. They will sail for the East Coast Sept. 19.

The Defense Department in Washington said the battalion's place at sea with the 6th Fleet will be taken by about 1,900 of the 6th Marine Regiment now loading at Morehead City, N. C.

Adm. James L. Holloway, commander of U. S. forces in Lebanon, gave no indication that withdrawal of more American troops was imminent. Holloway has been in frequent conference lately with Chamoun and the man who will succeed him as president Sept. 24, Gen. Fuad Chehab.

The admiral reaffirmed U. S. declarations that the troops would remain in this little Middle East nation "only so long as desired by the Lebanese"

## Debbie Says Separation Was Caused by Night Club Dating

HOLLYWOOD (AP)—Debbie Reynolds today blamed her separation from Eddie Fisher on his New York night club dating with Elizabeth Taylor.

But, she declared in a news conference at her front door: "I'm still in love with my husband."

Miss Taylor, who with her late husband, showman Mike Todd, was supposed to have been a close friend of the Fishers, said: "I don't feel that I've taken Eddie away from Debbie—because they weren't getting along, anyway."

Published accounts quoted Miss Taylor, 26, as saying: "Eddie is not in love with Debbie and never has been."

To which Miss Reynolds retorted: "We were never happier than we have been in the last year."

The formal separation of Debbie and Eddie, 30, was announced Wednesday night. Eddie went to the home of a friend, comedian Tony Martin, Miss Reynolds

### Ozark Pupils Claim They were Attacked

OZARK, Ark. (AP)—A Negro pupil at Ozark High School said today that she and two other Negro girls were told not to return to classes after 10 white boys and girls tried to attack them during the lunch hour Tuesday.

The three girls were the only Negroes in the school, which has about 400 white pupils.

Ivy West, a 14-year-old freshman, said Supt. R. L. Graves gave the order after he was pushed and shoved while protecting the Negroes.

Graves refused to discuss the incident.

## U. S. Reaffirms Its Support for Unity in Germany

WASHINGTON (AP)—The United States has reaffirmed its long-standing backing for German reunification under conditions guaranteeing freedom.

The State Department made known this attitude anew in commenting on a note from Chancellor Adenauer's West German Government.

The note, addressed to the United States, Soviet, British and French Governments, called for a four-power group to be established to draft proposals for Germany unity. The gesture appeared to be at least in part a rejoinder to an East German proposal—to which this country is not even responding—for negotiation of a German peace treaty.

In endorsing the West German move, a State Department Press Officer Lincoln White told a news conference. "We have always been anxious to negotiate an arrangement with the Soviet Union which would lead to reunification of Germany under conditions which would guarantee the freedom of the German people."

The boy's confession was obtained by Dist. Atty. John M. Braisted of Richmond County last Saturday, but was not disclosed until late Wednesday night.

In the meantime, the calm, dry-eyed youngster flew to Utah and attended his parents' funeral—apparently never indicating that he had confessed.

Braisted said Melvin—taken to the house of death Wednesday night—"indicated to us the manner in which his parents were murdered."

No matter what the final findings in the case may be, the boy could not be charged with homicide because of his age.

Braisted said young Melvin told him:

That he plotted the murders days in advance—apparently aggrieved by some real or fancied actions of his parents. Braisted declined to say just what the grievances were.

That he seized a knife from the kitchen, walked upstairs to the parents' bed room, and stabbed his father first, then his mother.

That his father somehow staggered to his feet and chased him downstairs, then collapsed there—where police found him.

That he washed off the knife and replaced it in the kitchen.

DETROIT (AP)—The Big Three auto makers headed back into contract talks today with a threat of the industry's first major strike since 1950 hanging over Ford Motor Co.

The United Auto Workers, bogged down in fruitless contract negotiations with General Motors, Ford and Chrysler for almost six months, singled out Ford Wednesday night as its strike target and set the deadline for next Wednesday.

Along with the decision to put the main pressure on Ford, an optimistic note came out of a day-long meeting of the UAW's 25-man International Executive Board.

"For the first time in five months," said a statement issued by the union, "we can see a possibility of honorable and equitable settlement on a new contract without the necessity of strike action."

Strengthened now by the auto companies' need for smooth production in the opening weeks of the 1959 model run, the UAW said its hopes of a settlement without a strike were bolstered by a change in the bargaining attitudes of the companies.

Miss Taylor was quoted in one account: "I don't go around breaking up marriages. Besides, you can't break up a happy marriage. Debbie's and Eddie's never has been."

On whether Liz loves Eddie: "I like Eddie very much. I've felt happier and more like a human being for the past two weeks than I have at any time since Mike's death. Mike and Eddie loved each other."

Miss Taylor also was quoted: "What am I supposed to do, ask him to go back to her and try? He can't. If he did, they'd destroy each other."

## Eight-Year-Old Boy Tells How He Murdered Parents

### By EDWARD NICKERSON

NEW YORK (AP)—Melvin Nimer Jr., a blond 8-year-old with a crewcut, says he plotted the murder of his parents—and carried it out with a kitchen knife while they slept.

His calmly told story fits the facts of the bloody Staten Island stabbing originally attributed to a white-masked intruder.

But the district attorney emphasized that there is still much to be explained about the Sept. 2 murders and that Melvin has not been arrested.

A psychiatric report on the child indicated he has a persecution complex and a personality compatible with the commission of violence.

The boy's uncle, Dr. Harold Nimer, said he does not believe the confession to the murders of Dr. Melvin Nimer and his pretty brunette wife Lore-Jean, both 31.

The boy's confession was obtained by Dist. Atty. John M. Braisted of Richmond County last Saturday, but was not disclosed until late Wednesday night.

In the meantime, the calm, dry-eyed youngster flew to Utah and attended his parents' funeral—apparently never indicating that he had confessed.

Braisted said Melvin—taken to the house of death Wednesday night—"indicated to us the manner in which his parents were murdered."

No matter what the final findings in the case may be, the boy could not be charged with homicide because of his age.

## GENEVA TO BE SITE OF TEST TALKS

WASHINGTON (AP)—The United States and Britain today agreed on Geneva as the site of a Big Three conference on suspending nuclear weapons tests.

The United States expressed "gratification" that Russia had agreed to start the talks Oct. 31.

The State Department made public a note sent Wednesday to the Soviet Foreign Office accepting the Soviet proposal that the talks be held in Geneva.

The note was almost identical with one sent by Britain Wednesday.

The U. S. note rejected the other Soviet proposal that the discussions be limited to two or three weeks.

It also withheld comment on other Soviet proposals, including a call for permanent suspension of tests instead of suspension on a year-by-year basis, as advocated by President Eisenhower.

LONDON (AP)—The United States and Britain have agreed to meet the Soviet Union in Geneva Oct. 31 to negotiate for a world-wide ban on nuclear weapons tests, informed diplomats reported today.

American and British notes delivered in Moscow Wednesday answered communications from Soviet Premier Khrushchev last month on suspension of nuclear weapon tests.

The Western countries did not indicate in their notes at what level the Geneva talks should take place.

The talks were first proposed by the Americans and British after scientists representing the Communist and Western powers had agreed on steps needed to supervise any worldwide arrangement.

Washington and London proposed that test firing would cease from Oct. 31 provided the Soviet Union agreed to join the conference in Geneva.

In his reply, Khrushchev countered with the proposal that any agreement to quit testing should be permanent.

NEWPORT, R. I. (AP)—President Eisenhower today accepted the resignation of Maxwell H. Gluck as ambassador to Ceylon, effective about Oct. 1.

At the time of his appointment last summer, Gluck was the center of a teapot tempest over not knowing the name of Ceylon's prime minister.

In a letter to the President, made public at his vacation headquarters, Gluck asked to be relieved because of the cumulative pressures of personal considerations. He did not specify them.

In accepting the resignation, Eisenhower in a letter to Gluck expressed appreciation "of your able representation of our government at this important post."

Gluck, 58, was confirmed to the post in June, 1957 by the Senate. Later Sen. Fulbright (D-Ark.) disclosed that a private hearing, Gluck had been unable to name the prime ministers of either Ceylon or India and showed himself unfamiliar with a United Nations report concerning Hungary which Ceylon had signed.

Because of the incident, the Senate announced that public hearings would be held there.

## State Educators Meet To Study Federal Act

HARRISBURG (AP)—Pennsylvania educators met today to draw up general plans for using new money made available to the states under a recent Federal act.

Dr. Charles H. Boehm, superintendent of the Department of Public Instruction, said 100 specialists in college and high school education were invited to the meeting.

They were assigned the task of drawing up a general program for administering the funds made available in these four prime areas:

1. Mathematics, science and modern foreign language instruction.

2. Guidance and testing, including singling out the superior students.

3. Improving departmental statistics and research.

4. Developing vocational schools throughout the state to prepare technicians for science and related fields for the national defense.

### Cheerleaders Help "Back the Dragons"

The girls will be selling season football tickets in front of Metzger-Wright and Penney stores tomorrow from 3 until 8.30 p. m. Varsity leaders are Pat Lanman, Marilyn Follette, Sue Johnson, Barb Johnson, Jean Massa, Linda Whitehill; junior varsity, Diane Anderson, Jane Carter, Mary Lynn Brown, Louise Bessett, Karen Erickson and Cecelia Smith.

## High Court Is Studying School Issue

WASHINGTON (AP)—For the second time in two weeks, the Supreme Court convened in extraordinary session today for argument on the great issue racking much of the south—the removal of racial barriers in public schools.

The question was how fast the southern states must move in throwing over generations—long customs of school segregation to comply with the court's 1954 decision that separation of White and Negro school children is unconstitutional.

It is possible the court may rule by the weekend.

A packed court room lay before the black-robed justices. More than half of those in the spectator places were Negroes.

The marble court room has seats for 177 general spectators. In addition, about 30 to 40 standees are permitted.

Among the 184 were four who had waited all night. And, at 3 a. m., there were 17 in line.

The U. S. Supreme Court convenes in a momentous special session today to decide the speed of integration at Little Rock, Ark., Central High School.

The decision may affect the lives and customs of millions of Southerners for it is expected to spell out the Supreme Court's mandate calling for desegregation in the nation's public schools with "all deliberate speed."

The question is whether the court will allow more time or whether it will call for action now.

The Little Rock School Board contends resumption of integration at this time would mean a return to "bedlam, turmoil and chaos" and the destruction of the school system. Integration at Central High last year brought on violence, riots and the use of troops.

The National Assn. for the Advancement of Colored People says that threats and even open public resistance are not valid reasons for denying Negro pupils a constitutional right to attend mixed schools.

Only one demonstration occurred in the South Wednesday. Police and sheriff's deputies escorted three Negro children through a

HARRISBURG (AP)—The possibility of building the entire Keystone Shortway from Sharons to Stroudsburg on a top priority basis faded today.

J. L. Stinson, division engineer of the U. S. Bureau of Public Roads, said plans for the 1,500-mile federal interstate highway system in Pennsylvania must be viewed on an over-all basis.

"The Keystone Shortway, important as it is, is probably not going to receive top priority scheduling," he told The Associated Press. "There are more important things."

Before the entire 390-mile shortway is built, Stinson said, projects must be started for the Delaware Expressway on the outskirts of Philadelphia, continuing the Schuylkill Expressway, linking the Pennsylvania Turnpike at Warrendale with Washington, Pa., by-passing Harrisburg after a new bridge is built south of the State Capital and going into downtown Pittsburgh with the proposed Erie-Pittsburgh Thruway.

"It seems to me that the interstate system should be looked at as a whole," he added.

But 40 per cent of the cases fell on four states. Texas had 297, Michigan had 292, Florida had 160 and California had 146 for 35-week totals.

And later figures from the National Foundation's Wayne (Detroit) County chapter showed the case lead had jumped a 356-more than the whole state of Michigan reported 11 days before.

Other high states according to U. S. Public Health Service totals were: New York 111, New Jersey 110 and Ohio 94.

There have been several outbreaks of polio across the nation. Another city reporting a sizable number was Miami, Fla. National Foundation spokesmen said there were a reported 66 cases in Dade County.

The reason polio still afflicts so many in the nation is because so many people have failed to get their Salk vaccine shots, the National Foundation says.

## ADDRESS TO BE HEARD AT TEN O'CLOCK

By WARREN ROGERS JR.

WASHINGTON (AP)—President Eisenhower goes on nationwide radio-TV tonight to seek more support among the peoples of America and the free world for his Far East policies.

At the Newport, R.I., presidential vacation headquarters, White House press secretary James C. Hagerty was asked today by the Providence (R.I.) Journal-Bulletin whether Secretary of State Dulles prompted the President to make the speech.

"So far as I know the suggestion came from the President," Hagerty replied.

The President will make the address from the White House at 9 p. m. (EST).

It will be carried live over ABC television and major radio networks, with NBC and CBS television carrying delayed telecasts at 10:15 p. m. (EST).

Hagerty said Eisenhower decided to make the talk after consulting by telephone with Secretary of State Dulles. He said the President would return to Newport Friday morning.

Two events Tuesday apparently supported what Dulles' public affairs advisers have been telling him: the U. S. public and the allies were not comprehending the why and whereof of the China crisis.

Those events were Dulles' 45-minute news conference Tuesday morning and his hour-long conference Tuesday afternoon with Australian Ambassador Robert G. Casey.

Casey, a veteran diplomat, was reported to have voiced uneasiness about U. S. policies. But after an hour with Dulles and a half hour with Walter S. Robertson, assistant secretary for Far East affairs, Casey pronounced himself possessed of "much more understanding."

His statement seemed to bear out Dulles' news conference comment that in time more and more allies and even more neutrals would come to appreciate U. S. Far East policy.

That policy includes support of Nationalist China, tolerance of a Nationalist military buildup on the islands within sight of the Red-held mainland, and threatening to

## U. S. Airman To Be Tried in Japan For Killing Youth

By JOHN RANDOLPH

TOKYO (AP)—Japanese police began questioning a 3/c Peter E. Longpre today after the U. S. Air Force ruled Japan can try him for fatally shooting a Japanese youth.

The police questioning will determine whether the 19-year-old airman from Lakewood, Calif., will be indicted. As a minor under Japanese law, he could be turned over to a family court, which assigns less severe penalties than the criminal courts.

While on guard duty last Sunday at Johnson Air Base, 20 miles northwest of Tokyo, Longpre fired his carbine. The bullet went through the window of a train 300 yards away, hitting Sachiwki Miyamura in the back.

By JOHN A. BARBOUR

NEW YORK (AP)—Four states—Michigan, Texas, Florida and California—are taking the brunt of this season's polio attack, and late reports indicate that Detroit may be the hardest hit city.

However, over-all, the United States may be experiencing a record low year for the post-Salk vaccine period.

The nation showed 2,223 cases for the 35 weeks ended Aug. 30. This compares with 3,879 cases for the same period last year and 13,711 for the average period of the years 1955-57.

But 40 per cent of the cases fell on four states. Texas had 297, Michigan had 292, Florida had 160 and California had 146 for 35-week totals.

And later figures from the National Foundation's Wayne (Detroit) County chapter showed the case lead had jumped a 356-more than the whole state of Michigan reported 11 days before.

## Highlights of Water Safety Program of Local Red Cross

Highlights of the Life Saving and Water Safety program of the Warren County Chapter, American Red Cross, are submitted in the following news release issued at Headquarters in Market street:

Through the untiring supervision of Paul Steinkamp, chairman and the hours of service of well trained instructors six classes have been taught at the YMCA pool this last year—Junior, Senior, Handicapped and Retarded children. There were 20 Senior certificates issued, 62 Junior, 11 Beginners, 14 Retarded and 4 Handicapped making a total of 111 certificates given.

Twenty weeks of instruction was given to the Junior and Senior classes, eight weeks to the Retarded and Handicapped swimming classes and seven weeks to the Beginners Swimming Class, a total of thirty-five volunteer hours of service which was given by Mr. Steinkamp and the following instructors: Craig Forsgren, Charles Anderson, Joan Chickennoi, Barbara Timm, Donald Hendrickson, Ralph Pederson, Joseph Schusse, Marge Radar, Beverly See, Linda Lyford, Meredith Sandberg, Bonnie Beckdahl, Sandra Steinkamp, Joyce Gruber, Marie Oriole and Lois Henry. This was an outstanding job for our community.

During this year Mr. Steinkamp for the first time started a class for retarded children so that they might enjoy the privileges and pleasures of knowing how to swim. Thirty hours of instruction was given to this class and an award night dinner sponsored by the

Retarded Children's Association and co-sponsored by the Red Cross and YMCA as guests of the YMCA was given May 22nd with 150 in attendance. Many thanks to the YMCA for the privilege of the use of the pool making it possible to hold these classes.

A Beginners Swimming Class has just been completed at Chapman Dam, an average attendance of about 50 pupils. Due to bad weather during the course made it impossible for more to attend. This is the first class that has been instructed at the Dam and in Warren County and we hope to make it an annual event.

The Warren County Chapter of the Red Cross is very fortunate to have a Chairman and instructors who are willing to devote their time and talent to instruct these girls and boys. A great deal of thanks should be given to these volunteer workers.

## Electronic Brain As Aviation Aid Is Demonstrated

INDIANAPOLIS (AP)—An electronic brain designed to keep planes moving safely in and out of crowded airports was demonstrated Tuesday at the Civil Aeronautics Administration Building here.

The CAA will put the device into operation at Weir - Cook Municipal Airport here this month on its first full-time assignment in the nation.

The brain, developed by International Business Machines Corp., can keep track of planes, figure out when each is due at its destination, decide whether too many planes are due in at once and inform the staff so that necessary orders can be issued to the pilots.

Read A. Dillon of the CAA said the brain could do the work of 200 men.

Its purpose will be to free control staff men of many mechanical and figuring functions and allow them more time to make decisions.

CAA officials said about 54 of the machines will be in use on American airways by 1960.

## Cary and Ingrid Seen in Typical "Highland Fling"

Cary Grant and Ingrid Bergman may emerge as the screen's newest terpsichorean twosome as the result of a sequence in "Indiscreet", their new Warner Bros. motion picture now showing at Library Theatre.

Although the romantic Technicolor comedy is not a screen musical, it was produced and directed by one of Hollywood's ace choreographers, Stanley Donen, whose "Seven Brides for Seven Brothers", "Funny Face" and "Pajama Game" rate among the best of recent musical films. Naturally, Donen found a way to introduce dancing into the Norman Krasna screenplay.

When the "Indiscreet" script called for Grant, as a moneyed American, and Miss Bergman, as a famous continental actress, to have a gay time at a society event in London, Donen saw the opportunity to make their participation something more than a ballroom hit.

He decided to give the dance a Scottish flavor, with Cary and Ingrid becoming involved in a typical Highland eight-some reel. To assure authenticity, he engaged John McConachie, head of the Strathspey School of Scottish Dancing, and some of his bonnie lads and lassies to help Cary and Ingrid master the Highland heel-and-toe routines.

## Doris Bloomster Reception Guest

Miss Doris Bloomster, native of Sugar Grove and teacher for the past three years in the Bisti School near Farmington, N. M., will be honored with a reception in Dunham Parlors of First Methodist church next Tuesday, from 2:30 to 4:30 p. m.

Bisti is the part of the Navajo Methodist Mission School, which accommodates about 50 Indian boys and girls from kindergarten through third grade. It is situated about 35 miles from Farmington in a desert area without adequate water supply.

Last May, the dormitory and schoolrooms were completely destroyed by fire and all personal belongings and school supplies were lost. Fortunately no one was injured, since the fire occurred at a time when everyone was out of the building. While the school is being rebuilt, Miss Bloomster will spend this year in study.

Anyone in the community who is interested in meeting Miss Bloomster and hearing her tell of her work in New Mexico is cordially invited to attend the reception.

## OFFICERS APPOINTED AT CIRCLE GATHERING

The September meeting of Mary Harwood Circle of Grace Methodist church was held at the home of Mrs. Harry Hutchings, Jackson Run road, with 19 members and one visitor present. Nelson; corresponding secretary, Mrs. Charles Grady; sunshine, Mrs. V. W. Kirberger; project chairman, Mrs. C. R. Foreman; Mrs. R. C. Mead; program, Mrs. Melvin Haupin; devotional, Mrs. T. R. Sponsler; membership, Mrs. Lillian Freund, Mrs. Harold Wall, Mrs. Cecil Courtney; telephoning, Mrs. Orley Hanson.

Mrs. Haupin gave an interesting report on missionary activities and refreshments were served by the hostess, assisted by Mrs. Kirberger.

PRE-SCHOOL CLUB  
A large attendance opened the fall season of Pre-School Mothers' Club, with a tureen supper held outdoors Monday evening at the home of Mrs. William Smith. Chairman for the tureen was Mary Young, assisted by Nula Fales and Anita Kettie.

During the business session, printed programs for the year were distributed and several projects discussed, including a white elephant sale and a children's used clothing sale. The October meeting will be held at Manufacturers Light and Heat Company.

OPEN HOUSE FOR THE HARRY KELLERS  
Mr. and Mrs. Harry M. Keller will observe their 50th wedding anniversary Saturday, September 13, with open house at their home on Mason road, Starbrick. The hours will be from two until four in the afternoon, seven until nine in the evening, and all relatives and friends are cordially invited.

MRS. CHARLES C. OWEN, JR.

Margaret Eleanor Peterson, daughter of Mr. and Mrs. Theodore G. Peterson of 10 Lansing street, North Warren, became the bride of Dr. Charles Richard Owen, Jr., son of Mr. and Mrs. Charles Richard Owen of Beaver Falls RD 2, in a lovely ceremony performed in North Warren Presbyterian church September 6.

The Rev. Robert C. Knapp read the double ring service in a setting of white gladioli and pom poms, with palms, candelabra, and a white anniversary candle which was a gift of Mrs. Owen. Mr. Carroll Fowler was at the organ, playing a half-hour recital as guests assembled.

Entering on the arm of her father, the bride wore ice white tulle, floor length and with chapel train, the full length sleeves tapering and buttoned at the wrists, the modified sabrina neckline and empire waistline accented with alencon lace, seed pearls and sequins. A matching jeweled crown held her fingertip veil of imported silk illusion, and her cascade bouquet was fashioned of white feathered carnations and ivy.

Named maid of honor for her sister, Judy Peterson wore floor length rose tulle and matching ribbon headpiece with face veil, and carried carnations in mixed shades of pink. Similar tulle gowns and head pieces were worn by the bridesmaids, Marcia Barrett, in

mint green; Mary Ann and Carolyn Larson, cousins of the bride, in mint green and rose color, respectively. Their flower girls wore rose carnations.

Best man for Dr. Owen was John Patterson, Monaca, Pa.; ushering were James Allen and Robert McLanahan, Beaver Falls; Glenn Wagoner, Darlington.

Wearing white cymbidium orchids and black accessories, Mrs. Peterson chose a winter blue silk sheath, Mrs. Owen favored gray-blue Italian silk.

The reception followed immediately in the YWCA, where Susan Peterson was at the punch bowl; Nancy Clapp cut the cake; Sally Saunders managed the guest book; Mrs. Kermit Larson and Mrs. Robert Benson poured for their niece.

The guest list of 125 included relatives and friends from Jamestown, Hammondsport and Busti, N. Y.; Berkley, Mich.; Beaver Falls, Northumberland, Lewisburg, Girard, Lake City, Slippery Rock, Tidioute, Tiona, Monaca, Darlington.

For a wedding trip to Boca Raton, Fla., the bride chose a blue and green floral sheath, with matching chemise jacket and black accessories. Returning September 22, the couple will make their home in Beaver Falls, where Dr. Owen is engaged in general medical practice.

The bride is a 1955 graduate of Warren High School and 1958 graduate of Harrisburg

Hospital School of Nursing; the bridegroom, alumnus of Geneva College and Hahnemann Medical School, interned at Harrisburg Hospital.

Hostesses who honored the bride-elect with showers were Mrs. Plue Wendelboe; Mrs. Boyd Sanden and Mrs. J. F. Crane; Marcia Barrett and Susan Peterson; Sally Saunders and Nancy Clapp; Mary Michell and Betsy Johnson.

## FUTURE TEACHERS ELECT OFFICERS

At a special meeting supervised by their faculty advisor, Mrs. Howard Andersen, Future Teachers of America in Warren High School elected the following officers for the new year: Susan Yaegle, president; Peggy Albaugh, vice president; Karen Hannold, secretary; Marian Peed, treasurer.

Plans were made for a picnic at Chapman Dam September 18, when new members will be welcomed. It was also decided the members will sell candy as a fund-raising project. Plans for the coming year include visitation at various schools in town; securing of guest speakers; attendance at conventions, and parties.

## WOMEN'S GOLF AT COUNTRY CLUB

Due to very adverse weather conditions, the week's tournament for the ladies at Cone-wango Valley Country Club was nine holes only, the event being for each player to guess her score, hole by hole, the winner being the one coming closest to her estimates. Mrs. Gaston Hamilton was best guesser in Division One; Mrs. Robert Donaldson, Division Two. Mrs. W. O. Lawson had low gross with 45.

Low net points were held as follows: Division One—Ties by Mrs. Sidney W. Blackson and Mrs. David Beaty; with Mrs. John Carter and Mrs. Lawson tied for second. Division Two—Mrs. William Walker, with Mrs. Robert Donaldson second. Division Three—Mrs. John Newmaker.

Next Wednesday will see the final weekly tournament for women golfers, followed on September 24 with the annual awards dinner.

MR. AND MRS. JOHN C. WOOD

Frances Mary Wooster, daughter of Mr. and Mrs. Harry Wooster, 8 Plum street, became the bride of John C. Wood, son of Mr. and Mrs. Frank Wood, 103 Willoughby street, at 10:00 a. m. September 6 in Holy Redeemer church.

Father Joseph Seybold officiated for the double ring ceremony. Wedding selections were played by Mrs. Thomas Donnelly, organist.

Given in marriage by her father, the bride appeared in a waltz-length gown of amber silk and carried a cascade bouquet of white pom poms. Rebecca Wooster attended her sis-

ter as maid of honor, wearing waltz length green chiffon, and carrying a cascade of pink pom poms.

Edward Wood served as best man for his brother. A wedding breakfast for the immediate family followed in the Penn-Laurel.

The newlyweds are both graduates of Warren High School. The bride attended Villa Maria College for one year and the bridegroom was at Penn State for one year.

Pre-nuptial hostesses were Susan Weigle, Mrs. Frank Wood and Mrs. Joseph DeMuro. The bridegroom's parents gave the rehearsal dinner.

## Legion Auxiliary Has Annual Mothers Event

The American Legion Home was the scene of a delightful party Tuesday evening, when the Auxiliary held its annual get-together to honor Gold Star Mothers.

Miss Florence Hill, auxiliary president, stated it was a "wish come true" to have such a large attendance, and introduced Mrs. Hazel Witz, who gave a warm welcome to Gold Star Mothers. Mrs. Gerda Carlson, president of GSM, thanked the members for the dinner and note paper gifts for each mother.

Miss Hill introduced Mrs. Froman, president of VFW Auxiliary of Tidioute, and Mrs. William Fuellhart, regent of the Daughters of the American Revolution. Mrs. Fuellhart said the aims and precepts of the DAR are to perpetuate the memory and ideals of the men and women who gave their lives to preserve our nation, and she felt honored to participate in the occasion.

Viola Lindmark, Mrs. Ione Maze and Linnea Scott, accompanied by Mrs. Marian Whipple, sang two beautiful selections, "America, My Own" and "My Cathedral". Mrs. Carl Lundahl gave several readings, concluding with "Dark Street", which she dedicated to the Gold Star Mothers.

Tables were artistically decorated with blue candles, gold Bows, and centerpiece of gold flowers grown by Mrs. Esther Carnes especially for the occasion. She also had several baskets of mixed fall flowers and a large container of small coleus plants to be given to each mother.

Mrs. Donald McComas and Mrs. Harold Putnam were co-chairmen of the dinner, assisted by Mrs. Edith Krespan, Mrs. Vi Ahlquist, Mrs. Helen Bunk, Mrs. Alberta Germonto, Mrs. Florine Larson, Mrs. Margaret Anderson and Betty Pearson. All in attendance voted it an extremely successful affair.

Miss Hill conducted a brief business session, appointing Mrs. Mae McDermott, Mrs. Rowena Kirchartz and Viola Lindmark as auditing committee.

Installation of new officers will be held September 23 at the Legion Home, conducted by Mrs. Vada Reese, Port Allegany, district director.

The evening was brought to a close with group singing, led by the trio, with Mrs. Whipple at the piano.

## INITIAL SESSION FOR PLEASANT PTA

"Get Acquainted" was the theme of the initial fall session of Pleasant PTA, when parents and teachers had the opportunity to meet and discuss mutual problems. Following the business session, parents visited classrooms, with first grade parents accompanying Miss Eva Stanford to Pleasant fire hall to inspect her first grade school room.

During the business meeting, Mrs. John Pollock was named chairman of hot dog sales to be held Wednesdays this year; Mrs. Melvin Gnage, chairman for the Citizenship Award committee; Mrs. Farr's second grade room won the attendance award.

Announcement was made of the annual Pennsylvania PTA sessions at Erie October 5-8, which Mrs. Gilbert Buerkle, president, plans to attend and others are urged to accompany her at the expense of the organization. Announcement was also made of local PTA Council work-shop sessions this evening, with a good attendance urged.

Officers of the organization served refreshments at a late hour.

MISSIONARY GROUP AT CALVARY BAPTIST Rev. C. J. Sundstrom, director of missions for the Baptist Middle East Conference, brought a stirring message to women of Calvary Baptist church and their guests at the first fall meeting of WMS this week.

A routine business session was held, when Mrs. Elsie Holabaugh gave a very encouraging report on the Girls' Missionary group, of which she is leader; Mrs. Edith Haglund gave an interesting report of the Spiritual Life department.

Out of town guests included Mrs. C. J. Sundstrom, Youngstown; Mrs. Ernest Leaf and Mrs. Alec Castritis, Chicago; Margaret Titus, Elin Park, Conn.

William Tapper Circle was in charge of refreshments in the church annex.

## Letters to Editor

Warren, Pa., Sept. 10, 1958  
The remaining time to register for voting in November is very short. The Commission on Christian Concern is very much concerned about the unconcern of many people regarding registering and voting. If we take our religion seriously—we are concerned about our fellowmen, and in the world we live in today, concern for fellowmen means concern with the political arena in which we live. The decisions that will be made by the men we elect to congress this fall will affect the destination of millions of people.

Perhaps for some reason you feel you do not want to become involved in politics—so you just stay at home on voting day—you do not bother to register! Responsible people—Christian people—must be involved in the life about them. If people are hungry; if they do not have decent housing, educational advantages, medical and health care; if they are denied their rights and privileges because of the color of their skin—these are the things we must be concerned about, and these are political issues. If we care at all about these things—we must be active in the realm of life where these issues are debated and decided. We must work to see that responsible men and women are elected to office. How can you have a part in this important work—if you do not vote? How can you vote if you do not register?

You are indeed an important person for you have a vote—through your vote—in your government. You do if you have not forgotten to register. The men in Washington are well aware of your importance, and they are always anxious to get "back home" to learn how the people are thinking on the issues at stake—you are the people. Yes—you are the people, but how you think will not matter unless you vote. Bad people are always elected to office by the good people who do not vote. Can you imagine the "Jimmy Hoffas" of our country forgetting—or not being interested in voting? Register—do not put it off! Time is running out!

## Man Who Shoots Up Camp Admits Guilt

Some persevering work by State Troopers resulted yesterday in apprehension of a Tidouite area man who fled away his spare time by blasting high powered rifle slugs through an empty camp.

Arthur Conklin, 24, of RD Tidouite, pleaded guilty to a malicious mischief charge Wednesday when brought before Peace Justice Fred Berry by arresting officer Paul Dell.

The man admitted that he had poured four or five slugs into the Milo Youngst camp on Tidouite-Pittsfield Road about four miles from Tidouite. The bullets pierced two boats and left holes in the camp's wooded sides as they passed through the building.

Damage was estimated in the neighborhood of \$100.

Trooper Dell located the 30 30 rifle used for the mischief and Conklin then confessed. The camp was unoccupied when the shooting occurred and the damage was not discovered until late spring.

Conklin is free on \$500 bond awaiting a court appearance.

## E. W. Switzer Named By Business School

Edward W. Switzer, 239 Jackson street, North Warren, has been named to the faculty of Jamestown Community College Evening Division, according to announcement received from Arthur C. Chapman, director of that division. Mr. Switzer will conduct a class on foremanship.

Subject matter to be included in the course will be the need and technique of creative thinking in problem solving; the supervisor's place in the organization and with organized labor; how to motivate employees, how to handle human relations problems, and other related subjects. The course is a business one and carries three hours credit.

Mr. Switzer is a staff member of the Marlin-Rockwell Corporation's human relations department in Jamestown, where he conducts the training and communications programs.

He is active in several professional organizations, including the American Society of Training Directors, American Society for Personnel Administration, Adult Education Association, American Vocational Association, and National Association of Suggestion Systems. He is a member of First Baptist church of Jamestown; Ismailla. Temple of Buffalo, Jamestown Shrine Club, and Jamestown Lodge of Elks.

Mr. Switzer received his A.B. degree from Roosevelt College, Chicago, and has done graduate work at the Universities of Chicago, Wisconsin, and Pittsburgh.

For 120 years, England required that all corpses be buried in woolen shrouds to dispose of its wool surplus, according to the Encyclopedia Britannica.

**DEMS SHOW SLIGHT LEAD**

County Democrats continued yesterday to show a slight lead in registrations since May when they signed up 36 new party members in Youngsville, compared to 22 Republicans and a single non-partisan. Those figures brought the total since May to 198 Democrats, 184 Republicans, 9 non-partisans, 2 Prohibitionists. Registration prior to the fall general election will conclude next Monday, and the court house office will remain open until 9 p. m. that night, plus this Thursday and Friday. Total county registration at present shows: 12,315 Republicans, 6,014 Democrats.

## Night Patrol Begins To Halt Marauders

Police are determined to put a stop to the thievery and malicious mischief which is occurring to Christopher Construction Company equipment and material at the site of the new sewage treatment plant on the South Side.

Company officials said today that at least 120 feet of 4-inch tile have been stolen, along with 200 to 300 gallons of gasoline.

From the mischief angle, youngsters have run the trucks, dozer and compressor on the lot and de-juced the crane battery in an attempt to start that.

No trespassing signs have been erected, and violators will be prosecuted. Company officials say that visitors are welcomed during the daytime but that nighttime patrols are beginning by police for the unwanted.

Milano Construction Company reports that approximately \$300 worth of lumber and other material has been stolen from its supply depot on the West Side. Police are also alerted to place this blame where it belongs.

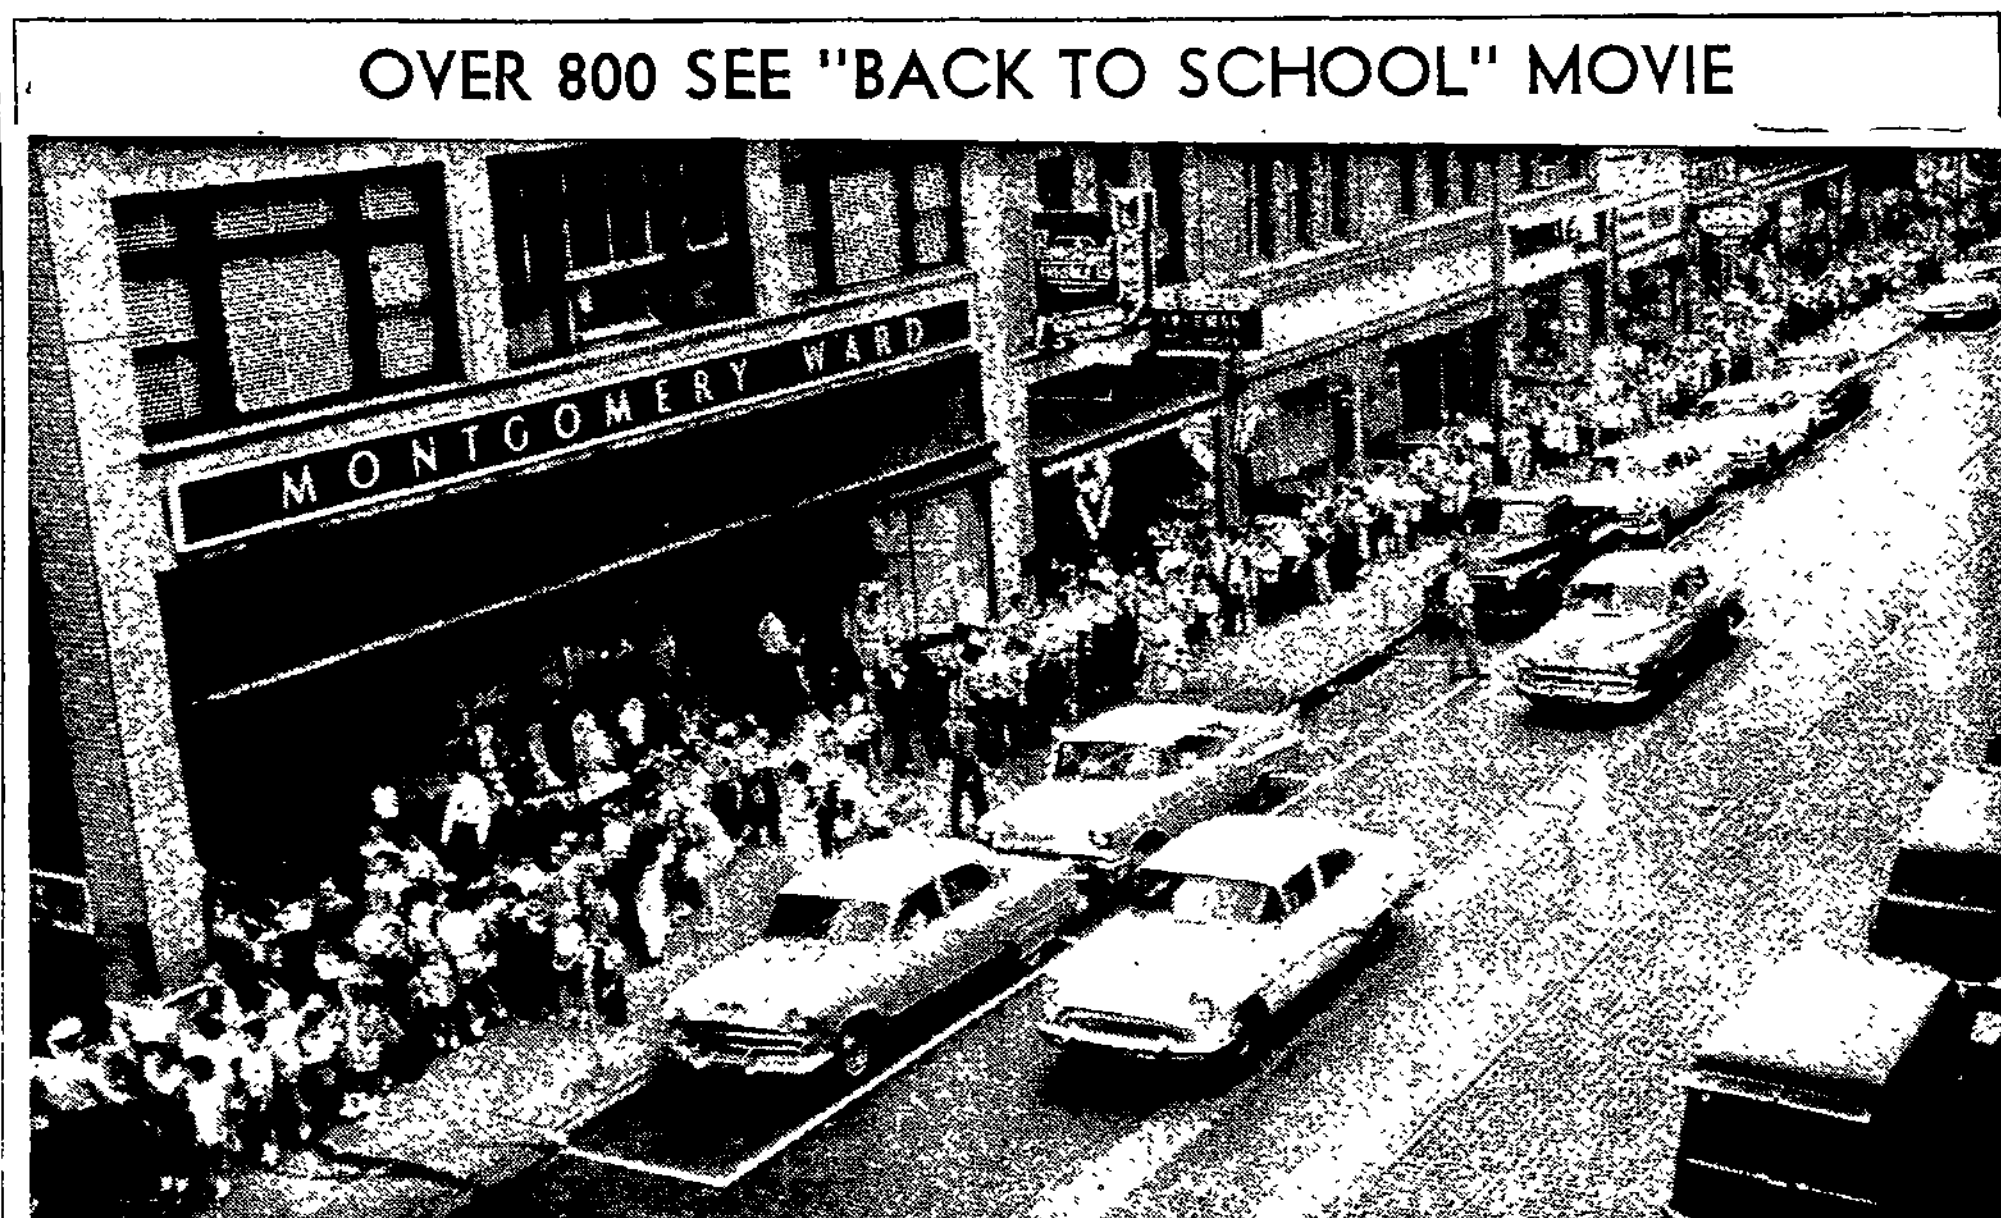

**POPULAR CARD GAME**

## OVER 800 SEE "BACK TO SCHOOL" MOVIE

Above photo by Stokes pictures the huge crowd of over 800 children who gathered for the Montgomery Ward "back to school" movie at the Library Theatre. J. K. Krimmel, manager of the local store, stated the show was a huge success, and from now on will be an annual affair. The kids were lined up double and even triple file, the line extending down to Second avenue past Loblaw's grocery store. Local police were on hand to aid the children across the street safely, and traffic was held up on a few occasions.

## Boyle's Comment

By HAL BOYLE

NEW YORK (AP)—Elbert Q. Tweagle, president of the Giant Acme Tiddlywinks Co., was frankly puzzled.

On his desk lay a letter signed by Frank N. Caustic, foreman of the punchpress crew, an employee for 30 years.

"I hereby resign. It ain't safe around here no more," the letter said.

Tweagle pushed a button. Three-fifths of a second later in raced Albert Beaver, Acme's personnel executive.

"How many employees were killed on the job here in the last five years?" asked Tweagle.

"None, sir."

"How many were hurt at work?"

"None, sir."

"Then what the blazes does this man mean by saying it isn't safe to work here anymore?" demanded Tweagle, who was proud of his company's safety record.

After studying the letter, Beaver said, "Sir, Frank Caustic is a malcontent."

"What do you mean?"

"Well, sir, he was beanballed in a company intramural softball game last week, and he thinks it was deliberate. Anyway, it's just as well he resigned."

"Why? Is his work slipping?"

"Oh, no, sir, not that. But he's been playing centerfield for the punchpress team, and nobody on the team has spoken to him since he dropped two flies in a row early in the season. They think it's time to get a younger centerfielder."

"Isn't our company sports program perhaps getting a bit out of hand?" said Tweagle.

"Oh, no, sir. It's been great for company morale. You remember what you said when we started it: 'The corporation that plays together, stays together.'"

"I sometimes wonder how much good our company sports program has done health," said Tweagle.

"For example, how many are absent today because of illness?"

"From ordinary illness, sir?" asked Beaver. "None, sir. Of course, some are out with injuries."

"What kind of injuries?"

"Well, sir," replied Beaver. "Three junior executives are out with minor heart attacks from the company tennis tournament. Vice President Blower is out with a broken nose. He tripped over a log in the company golf tournament."

"Then, let's see — there are four guys out with bad knees from the company's ladies basketball tournament. A bookkeeper is out with a brain concussion. He got hit in the head during the company horseshoe pitching tournament. Eight men in the factory were crippled in the company soccer tournament, but two should be back tomorrow. That's about all."

## Hollywood News

By JAMES BACON

AP Motion Picture Writer

HOLLYWOOD (AP)—Carol O'Connell, back in the movies after two years during which she got married and divorced, gives the most unusual explanation yet for the breakup of a Hollywood marriage.

"I forgot acting and tried too hard to be a wife," she admits. "And that did it."

Several years ago Paramount gave Carol one of the biggest publicity buildups ever given a newcomer. She was pretty enough to once represent Utah in the Miss America contest. She had acting talent.

She cooperated with the publicity department in every way except one. She refused to have her name linked with other actors or date them for premieres or other movieland events. That's publicity routine.

The reason: She was in love with a young engineer named William Strange and went out with no one else. They got married two years ago and she gave up the screen.

"I did everything a good wife was supposed to do," she said. "I even baked my own bread—and what wife does that these days?"

Then a strange thing happened, her handsome husband gave up engineering and became an actor. His first audition gave him a TV contract and a new name. William Strange became Wayne Preston, star of Warner Bros. "Cott 45" TV series.

"Everything seemed wonderful one day," Carol recalls, "and then the next it wasn't. I don't know what happened—and still don't."

## WINNER OF COMPLETE WARDROBE

Douglas Sorenson, seven years old, and student at Scandia School, was the winner of the complete boy's wardrobe given away by the Montgomery Ward store during the annual "back to school" promotion. Douglas, pictured here with Mr. Krimmel, has three brothers and sisters, and his parents were pleased at his winning the award. He was named winner over 1000 children who registered during the promotion. Value of the prize is over \$30, and the wardrobe consists of all back-to-school needs. Timesphoto by Saylor.

## SANFORD

SANFORD — Mrs. Marjory Jordan and son, Johnnie, of Dansville, N. Y., spent the weekend with their aunt and uncle, Mr. and Mrs. Elmer Van Guider. Sunday callers were Mr. and Mrs. Hazlett, of Verona, spending the weekend at their camp here.

The "songsprations" have been so much enjoyed it is planned to have another at 8.00 p. m. Sunday in the Grand Valley EUB church.

Sanford Sunday school has planned a wiener and corn roast at 8.00 p. m. Friday at the Marshall Danielsons, each to bring wieners and rolls, the pie, coffee and pop to be provided.

Mrs. Bessie Meabon is home from Erie, where she spent a few days with her daughter after having been released as a surgical patient at Hamot Hospital.

Mr. and Mrs. Howard Garber, Mr. and Mrs. Arthur Garber called on Mr. and Mrs. Leon Mitchell at Columbus Sunday. The latter couple enjoyed supper with the Howard Garbers.

Mr. and Mrs. C. W. Holcomb and Mrs. Fred Smith, Orchard Park, N. Y., spent the weekend with Mr. and Mrs. Glenn Thompson.

## Wrightsville

WRIGHTSVILLE — Vivian and Marion Anderson and Vern Hall, of Jamestown, were Sunday callers at the Ernest Faust home.

Mr. and Mrs. James Durlin received word Monday evening of the birth of their first grandchild, a daughter to Merle and Lorraine Hopkins Houghwot. The grandparents are Mr. and Mrs. Howard Hopkins of Falconer.

Mr. and Mrs. Edgar Stowe, Newton Falls, O., are visiting Mr. and Mrs. James Durlin. Sunday visitors were Mr. and Mrs. Fred Lee and son, Reggie, of Frewsburg.

Mr. and Mrs. Allen Peterson, North Warren, were Monday evening visitors of his mother, Mrs. Nora Peterson.

Patricia Cowles, daughter of Mr. and Mrs. Clair Cowles, is starting classes at Edinboro this week.

Mr. and Mrs. Martin Hallgren were recent visitors of his sister, Mrs. Inez Rudolph of Warren, whose husband, William Rudolph, is in the Veterans' Hospital at Erie.

James Higgins and son, Jimmy, of Akron, O., were Sunday guests of his father, Connie Higgins. Other callers were Paul Meerdith, Cory, Mr. and Mrs. Elmer Peterson, Sugar Grove.

## A.P. Death Record

MIAMI, Fla. (AP) Norman G. Baker, 74, who operated a cancer clinic at Muscatine, Iowa, and was active in politics in the 1920s, died Tuesday of jaundice. Baker, one-time radio chain owner known as the "Radio Doctor," served four years in prison on conviction of using the mails to defraud in the advertisement of a cancer treatment.

RENO, (AP) — Edmund Rushmore, 83, retired New York canning executive, died Wednesday of cancer. He was former president of the Spanish-American Fruit Co., which he organized in 1912. He was born in Long Island, N.Y.

## Jaycees Launch Extensive Drive For New Members

The Warren Jaycees have launched an extensive membership drive which will be climaxed on October 9 by a dinner for all new members inducted during the drive. It was announced today by William Hesch, vice-president in charge of internal affairs for the local chapter.

Any young man between the ages of 21 and 35 is eligible to join the Jaycees, Hesch emphasized, and urged that any young men who are interested in leadership training, civic improvement and fellowship, contact a member of the Warren Junior Chamber of Commerce for more information.

Posters calling attention to the membership drive and containing information on how to get in touch with the Jaycees have been distributed throughout the community. Prospective members are invited to fill out the cards, send them in and the Jaycees Membership Committee will contact them.

Jaycee members are engaged in a contest as a part of the membership drive. The membership committee has contacted a "mystery Jaycee" — a young man not now a Jaycee—who has agreed to join the organization if asked. The first Jaycee member to ask this mystery Jaycee to join will have his year's dues paid by the chapter.

Hesch stated that the local chapter has lost many members during the past year because of age and job transfers and said that the organization needs new members to help conduct its heavy schedule of civic and youth projects.

Hesch concluded that by working on Jaycee-sponsored projects new members gain invaluable leadership training while making the community a better place in which to live.

## Oddities in the News

DETROIT (AP) — Allen W. Thompson says he showed no partiality in passing 14 bad checks at a Detroit supermarket. Police asked Thompson if he thought the supermarket was a soft touch. Thompson replied no. He said he just saved the particular brand of gift stamps offered by the store.

CAMBRIDGE, Mass. (AP)—The Aga Kahn, 21-year-old spiritual leader of 20 million Moslems of the Ismaili sect, is coming back to Harvard to complete his studies in oriental history and economics. When the previous Aga Khan died in July, 1957, the young prince had just finished his junior year.

RICHMOND, Calif. (AP) — "I just shot a mountain lion from my kitchen window with a .22 rifle," proudly reported a feminine voice to police headquarters. In the backyard of Mrs. Harriet Neely's home officers confirmed her shooting eye, but the body was that of a neighbor's siamese cat.

GALVESTON, Tex. (AP) — A local veterinarian is credited by reliable witnesses with saving the life of a valued persian cat by a heart massage operation. But he refused to name the cat's owner or allow his name to be mentioned in connection with the case. His reason: "I get so nauseated at the thought of the nine-lives gags you people would have to indulge in."

ANNAPOLIS, Md. (AP) — A woman among the group of tourists being shown through Maryland's historic Statehouse was particularly impressed by the guide. She remarked that he "seemed to have a good education" and asked, "Is he on duty here regularly?" Only until Jan. 15. The "guide" was Gov. Theodore R. McKeldin, who goes out of office on that date.

WILKES-BARRE, Pa. (AP) — Luzerne County Common Pleas Court Judge Frank L. Finola lost his gavel, but he still has something to pound with—an 18-inch genuine Irish shillelagh. It was presented to him by State Sen. Harold Flack. The judge plans to use it until he gets a new gavel.

POINT OF THE MOUNTAIN, Utah, (AP) — Three Utah State Prison inmates failed to appear Wednesday for their parole hearings before the Utah State Pardon Board. The reason: Two are escapees and the third is being held on a murder charge. The board continued the hearings to an indefinite date.

BOISE, Idaho (AP) — Mrs. Charles O. Brady built the first fire of the season in the fireplace Wednesday. The heat melted honey from a beehive in the chimney. It dripped down and a swarm of angry bees followed. Firemen plugged the chimney to keep the bees out of the house but no one quite knew how to get them out of the chimney.

### Registration for Adult Classes at Eisenhower High

LANDER—Registration for the 1956-57 adult education courses at General Dwight D. Eisenhower High School will be held next Monday, September 15, in the general office of the school.

A tuition fee of \$5 per semester will be charged, and an average membership of 20 students per course will be required. If this number is not attained when registrations take place, the fee will be refunded to the registrant.

A variety of studies, all offered last year and among this year's possibilities, includes woodwork, arts and crafts, homemaking, typing and book-keeping. An agriculture class for adult farmers has already been organized and others which may be selected are English, mathematics, history, sciences, shorthand, music, dramatics, speech, recreation and driver education.

It is suggested prospective students give careful consideration to any courses which may be a means of upgrading their vocational and personal skills. The question of beginning or advanced courses will be determined by the demand made known in registrations.

The schedule of classes arranged tentatively calls for a three-hour session each Monday evening for 13 meetings. Each will be from 7:00 to 10:00 p. m., with a 15-minute intermission from 8:30 to 8:45.

First class sessions will be held Monday, September 22 with the instruction continuing each Monday thereafter except on October 20, December 1, 22 and 29 the last meeting of the first semester to be held January 12.

Selection of teachers to carry on this work will be made after courses have been determined. The credit each course will carry will also be determined by class hours and the amount of assigned work completed.

# Doctor Reports New Device For Aiding Frogmen

By FRANK CAREY  
Associated Press Science Writer

GROTON, Conn. (AP)—New research findings promise to allow Navy frogmen to swim deeper and longer without danger of the bends, a Navy doctor reported today.

Capt. J. Duffner, senior medical officer of the Navy's experimental living unit in Washington, D. C., said the prospect results from experiments in which swimming divers breathe a mixture of helium and oxygen instead of the usual compressed air, which contains nitrogen and oxygen.

He told the first International Symposium on Submarine and Space Medicine that it is now proposed to furnish all frogmen with such a mixture. It would be carried, as compressed air now is, in a so-called "scuba" apparatus. Scuba means "self contained underwater breathing apparatus."

The symposium is being sponsored by the American Institute of Biological Sciences with the support of the Defense Department.

The condition known as the bends is technically called decompression sickness.

When a diver is deep in the water, the increased pressure from the water causes any inert gas in his breathing mixture—such as nitrogen or helium—to be compressed into his tissues. When he ascends the gas in his tissues is under lower and lower pressure. If he comes up too fast, the compressed gas will be released in the form of bubbles. They can get into his tissues, his joints and even his brains and lungs.

## Lions Sponsoring Events Calendar

Warren Lions Club is sponsoring a Community Events Calendar, feeling this is something the community has needed for a long time.

Purpose of the calendar will be the listing of meetings and socials of all clubs, lodges, patriotic groups, and associations, also the special events of the schools, churches, and community.

Letters are being sent to known organizations and any group in the area not receiving a letter is asked to contact Charles Beck.

## Sugar Grove Post Has Installation

SUGAR GROVE—Feature of the regular meeting of Sugar Grove American Legion Post 758 was installation of officers named to serve in the coming year. Past commander filled all the chairs and Carl Anderegg, Bailey, formed in 1945, presided.

seaman, Dale Hillard, sergeant at arms, by Stanley Meleen; Robert Hunzinger and William Lester, service officers, by Frank Gorman; Clayton A. Seamens, chaplain, and Norman Cobb assistant, by Harold viously rained-otu August 24 officer, Robert Hunzinger as adjutant, and John Taylor, assistant, by Sidney Nobbs.

Kenneth Frank, junior vice commander, by Frank Gorman; Roscoe Knapp, senior vice commander, by Robert Hunzinger; and Richard Mack, commander, by Mr. Anderegg.

This plan of inducting the slate will be used each September, since it proved so interesting and successful last year.

In conjunction with the auction the post will hold soon, members will meet at the Legion Home promptly at 9:00 a. m. Saturday to make a house to house canvas of Sugar Grove borough and township, Farmington and Freehold townships, and Busti.

Residents of these areas are asked to contribute articles when the Legionnaires make their calls. Proceeds from the sale will be used for the post's child welfare program.

## Contractor Called for Trial in Cinders Case

HARRISBURG (AP) — Victor Prep, Schuylkill County contractor twice convicted of cheating the Highways Department, was called for trial in Dauphin County Court today on similar charges in Chester County.

Prep and Frank S. Jamieson, former Chester County maintenance superintendent, are charged with conspiracy and false pretenses in the sale of cinders to the department for highway use.

Prep gave early indications that he would plead guilty and testify on behalf of the Commonwealth.

Wednesday Prep was called for sentence on conspiracy and false pretense conviction in connection with cinder sales in Lancaster County.

The sentencing was held up pending the outcome of the new trial.

## vigilance

Final victory over cancer will come from the research laboratory. But there are victories today. Many cancers can be cured when detected early and treated promptly. Vigilance is the key to this victory. There are seven signals which might mean cancer. Vigilance in heeding them could mean victory over cancer for you.

1. Unusual bleeding or discharge.
2. A lump or thickening in the breast or elsewhere.
3. A sore that does not heal.
4. Change in bowel or bladder habits.
5. Hoarseness or cough.
6. Indigestion or difficulty in swallowing.
7. Change in a wart or mole.

If your signal lasts longer than two weeks, go to your doctor to have it checked.

## Montgomery Ward Co. Report Shows Business Increase

CHICAGO — Sales of Montgomery Ward & Co. for the first six months of the 1958 fiscal year ending July 31 were \$471,921,679 as compared with \$466,005,320 for the same period last year, an increase of 1.3 per cent, John A. Barr, chairman, has reported to the company's 95,000 stockholders.

Earnings were \$8,638,488, or 62 cents per share of common stock. Six-month earnings in 1957 were \$10,761,637, or 77 cents per share.

In a letter to stockholders, Barr said earnings of the company were "adversely affected by the depressed level of the general economy which increased competition and necessitated more sharply priced merchandise with smaller margins, by the higher costs of labor and services, and by the substantial expenditures required for the development of the company's growth and improvement programs."

"The necessarily long period of initial planning for new stores and new distribution warehouses has been completed," he said, "and our programs for new retail stores, new warehouses, and the renovation of present stores are progressing on schedule."

Noting that the company had opened three new retail stores and its first modern distribution center during the first six months of the year, Barr told stockholders that new retail stores will be opened in major shopping centers in Gary, Ind., and Kansas City, Mo., during October.

Barr also announced that 10 new stores are planned for opening in shopping center areas in 1959. These stores, he said, will average 143,500 square feet in size with an annual estimated sales volume of \$8,750,000 per store.

During the first six months of the year, 29 new catalog stores were opened bringing the number of catalog stores to 501 on July 31. Forty-six additional catalog stores are planned for opening during the fall of this year.

James Bridger, a scout of pioneer North America, was the first white man known to have visited Great Salt Lake.

## More Churches Going Up But Building Down

The estimated value of building construction proposed during July 1958 totalled \$64,508,695, or 8.1 per cent less than the \$70,194,739 total reported in June, Secretary of Labor and Industry William L. Batt, Jr., announced today.

The July 1958 construction plans fall considerably short of the reports received during July 1957. Last year, 9,250 permits were issued by 566 municipalities for a construction volume valued at \$77,630,299.

On the basis of data compiled by the Bureau of Research and Statistics from a representative sample of 545 communities reporting each month planned construction for July was valued at \$63,271,250, or a decrease of 13.3 per cent from June's total of \$72,968,538.

Proposed new home building in the Commonwealth of Pennsylvania continued to trail last year's pace. The dollar volume of new residential building which totalled \$29,080,782 in July was lower than the June 1958 volume (\$30,720,666) by 5.3 per cent and July 1957 volume (\$31,291,173) by 7.1 per cent.

Proposed Non-Residential Construction reported in July of this year was about 30 per cent less in dollar volume than the estimated value reported during the same month of 1957. As a result the seven-month cumulative total for 1958 has fallen behind the cumulative total for 1957. During July 1958 there were 903 permits issued representing a dollar volume of \$23,543,361. This amount was lower than the June 1958 total (\$25,659,365 based on 892 permits) by 8.2 per cent and the July 1957 total (\$33,936,887 based on 927 permits issued) by 30.6 per cent.

Compared to June 1958, significant dollar volume declines were evident during July in the planned construction of Amusement-Recreation Places (\$6,275,120 to \$1,586,386), Factories (\$2,154,750 to \$590,015), and Stores and Mercantile Buildings (\$5,339,423 to \$3,417,561). Improved construction dollar volume, comparing July with the previous month, was disclosed for Churches (\$546,277 to \$2,307,368), Public Garages (\$1,473,878 to \$3,040,000) and

## Bloodmobile Has Most Successful Titusville Visit

Titusville Herald: For the first time in recent visits, the Red Cross Bloodmobile went back to Buffalo Tuesday with more than its quota of blood collected here.

A total of 158 pints of blood were donated by local and district residents. Twenty prospective donors were rejected, which meant that 178 persons had appeared at the YMCA to give blood. The quota was 150 pints.

An amazing number of "walk-in" donors, 122 in all, came out to keep the bloodmobile staff busy.

"We're really delighted with the turnout," Miss Frances Fleming, Red Cross executive secretary, said, "and appreciate it very much."

There were 31 persons who came in to replace blood being used by James C. Burrows, Hydetown boy in the Cleveland Clinic Hospital. Also, 25 Tonesta residents came here to replace blood used by John Braxington of Tonesta at the Oil City Hospital.

A number of the 178 donors were giving blood for the first time.

A special plea had been made to housewives to donate blood. Appearing at the blood center were 28, as compared with the total of 33 for all three visits before this one.

Bloodmobile staff members were rushed at noon, when the center opened. There was a full around 2 p. m., then things picked up in a hurry after 3 o'clock.

John Sallaway and William Cogan were in a sound car going about the city during the afternoon asking people to give blood.

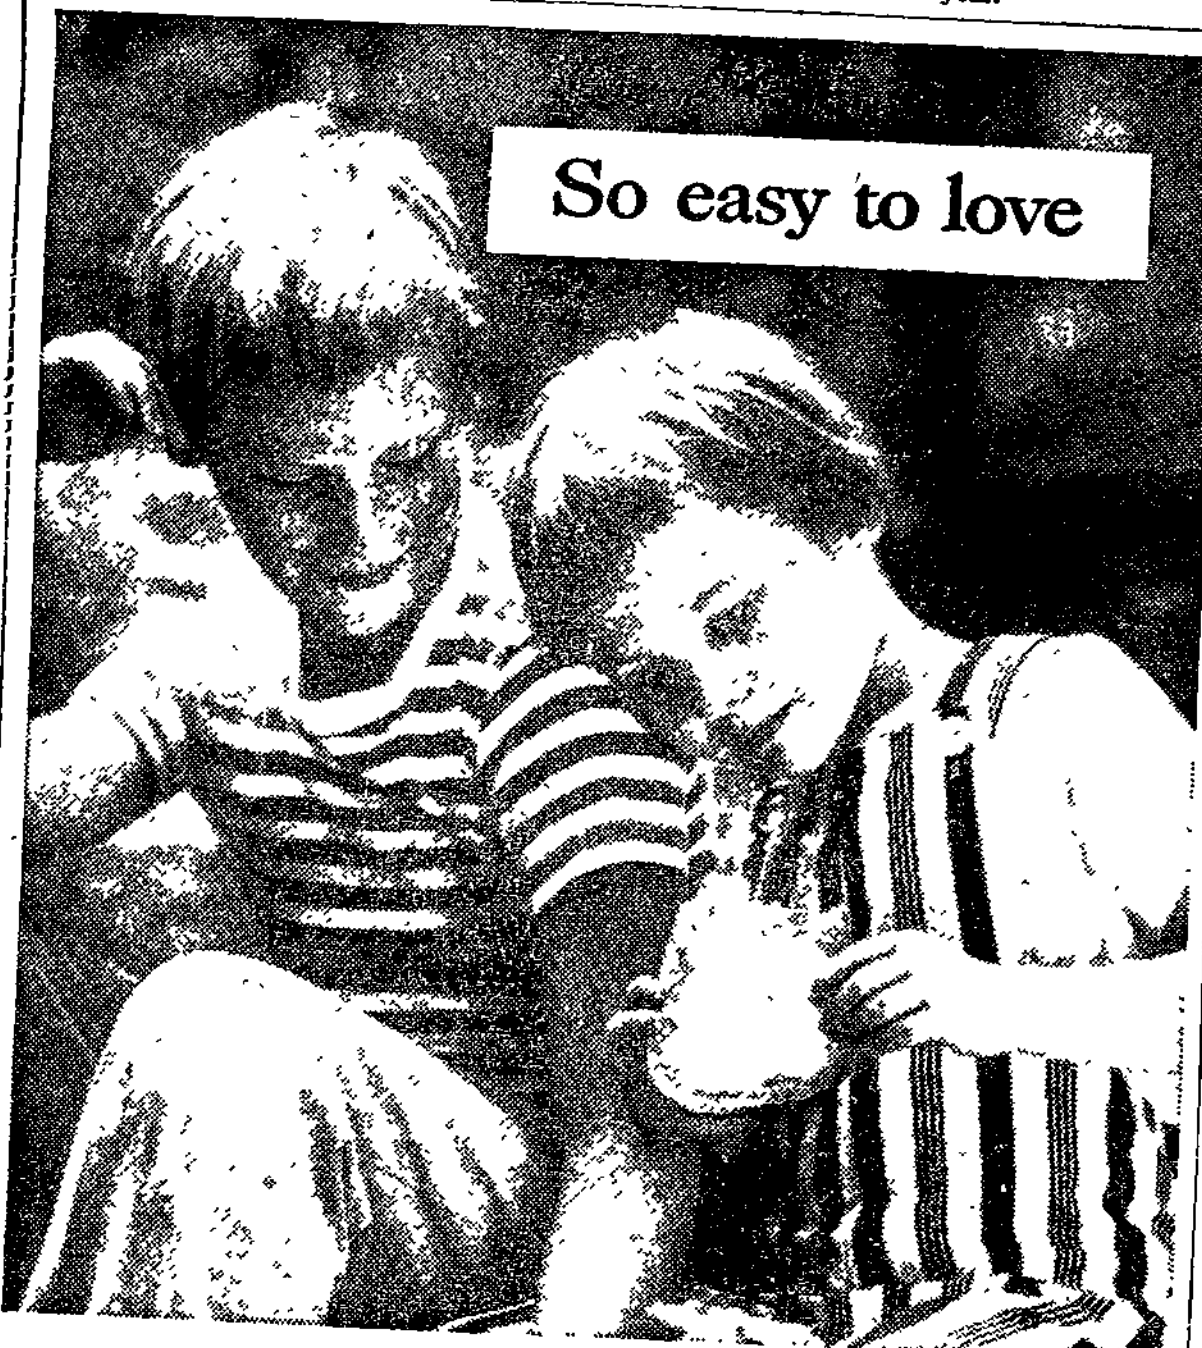

## PASSED FIRST LAW

First state to pass a law affecting children working was Connecticut. In 1813, it required millowners to have the children in their factories taught reading, writing and arithmetic.

Schools (\$4,602,819 to \$7,804,060).

The permit reports for July 1958 indicate a greater number of projects in half million dollar and over class than were reported in either May or June of this year.

### New Sergeant Is Assigned Area As WAC Recruiter

Sergeant Olice M. Miller of the Woman's Army Corps has recently been assigned to the Army Recruiting Service in this area and has officially taken over the recruiting of women for the Women's Army Corps in Warren and McKean County, according to Sergeant Rocco A. Curcio, local Army recruiting officer.

Sergeant Curcio said, Sergeant Miller will be in charge of all WAC Recruiting in this area, however due to the wide area she will cover, she will maintain her office in Indiana, Pa. The area the WAC recruiter will cover includes the Cities of Bradford, DuBois, Greensburg, Indiana, Johnstown, Kittanning, New Kensington and Somerset and all surrounding areas.

A native of Somerset County, Sergeant Miller is the daughter of Joseph Beck of Bakersville, Pa. After graduating from Somerset High School in 1939 she was employed at the Berder Shoe Company. She enlisted in the Woman's Army Corps in January 1954 and after basic training at Fort Lee, Virginia, was assigned to Brooke Army Medical Center at Fort Sam Houston, Texas. Upon graduation from the Surgical Technician School, Sergeant Miller was assigned to the Post Hospital at Fort Hood, Texas. In May 1956 she requested an overseas assignment and was transferred to Japan where she worked at the Camp Zama Army Hospital until her return to the United States in June of this year. After completing a leave at her father's home, Sergeant Miller reported to recruiting duty in Pittsburgh and was further reassigned to this area.

Sergeant Curcio went on to say that Sergeant Miller would be available for interviews with young women, 18 to 35 years of age, who are interested in receiving training in any of the 155 jobs performed by women in the Army. Sergeant Curcio said interested young women may call collect 24535 for an appointment with Sergeant Miller. Appointments may be arranged to be held with the young ladies parents at her home or at the Army Recruiting Station located at Exchange Hotel here in Warren, Tuesday 9-2.

pose going to war with Red China over the islands. The "high official" said "I believe the sentiment of the country," when it is adequately informed," would be overwhelmingly behind any decision to defend Quemoy and Matsu.

Then began the public puzzle-moment over the identity of the "high official" doing this big talking. Dulles let himself be named after Dean Acheson, former secretary of state flatly said Dulles

himself had been the "high official."

At his Tuesday news conference, Dulles was repeatedly asked why the public had not been kept better informed on administration thinking about Quemoy and Matsu. Dulles said in brief. Some things are so delicate — in final decisions of great importance — that the President and his advisers can't share them with the general public.

# Dem Platform Asks Creation of Tax Commission

By LEONARD A. UNGER  
HARRISBURG (U)—The Democratic State Platform Committee today asked for creation of a non-partisan tax commission to recommend a system of fair and equitable taxation.

It omitted all mention of any specific taxes—new levies to be imposed or old ones to be increased—that should be enacted by the 1959 Legislature to meet mounting state government costs.

And in contrast to the 1954 platform there wasn't a word of opposition expressed to the sales tax, long a target of Democratic attacks in Pennsylvania.

The 5,600-word platform, drafted as an outline of the party's position in the Nov. 4 general election campaign, will be presented to the Democratic State Committee later in the day. Acceptance was expected to be routine.

The 27 plans embraced a host of state, local and national issues headed up by a section titled by platform writers as "fiscal responsibility."

Democratic leaders went into a full day of activities, to be topped off by a \$100-a-plate fund-raising dinner tonight, with the endorsement of their statewide candidates by the AFL and CIO.

runways, fully armed and warmed up. American pilots in combat flight suits are ready to take off the moment there is any report of planes approaching.

The spokesman would not say how many U.S. planes and pilots are involved, but it is generally believed there are about 250 to 300 American Air Force and Marine jets on Formosa ready for combat.

Talking with newsmen aboard his flagship, the carrier Midway, Rear Adm. Ralph S. Clarke said his pilots now are restricted to flying no closer than 20 miles to the Red China coast.

But, said the commander of the 7th Fleet's carrier striking force, if Communist planes attack U.S. ones, they will be pursued to the coast and possibly beyond. It would be up to the individual pilot's discretion whether to pursue farther than the coast, the admiral said.

So far no Communist MIGs have been sighted by his fleet, Clarke said, nor have any been picked up on radar screens of his Task Force 77. The 7th Fleet planes have provided air cover for U.S. cruisers and destroyers escorting Chinese Nationalist supply ships to within three miles of Quemoy Island.

after on the qualifications of Foreign Service appointees.

At a news conference at that time the President angrily denied that the Gluck appointment had been a reward for a large contribution to Republican campaign funds.

Gluck's own explanation was that he had known the names all along (Solomon Bandaranaike of Ceylon and Jawaharlal Nehru of India) but had hesitated to pronounce them.

Gluck is head of the Darling Stores Corp., a 140-shop merchandising chain.

# Court Says Man Must Die for \$1.95 Holdup

MONTGOMERY, Ala. (U)—The Alabama Supreme Court today refused to reconsider an earlier decision which upheld the death sentence of Jimmy Wilson. The Negro handyman's execution was reset for Friday, Oct. 24.

Wilson's death sentence for the \$1.95 robbery of an elderly white widow was upheld by the Supreme Court last June 12, but the condemned man asked for a rehearing. That request was denied by the court today.

The effect of the denial was to uphold the death penalty for a second time and to order the 55-year-old illiterate ex-convict put to death in Kilby's Prison's electric chair.

blockade set up by 10 women at the Prude Avenue Elementary School at Madisonville, Ky., then arrested two white men and two Negro men.

Several U.S. deputy marshals were across the street at the time as observers. Justice Department officials in Washington said they believed this was the first use of deputy marshals in connection with school integration.

In the North, about 60 white and Negro mothers marched on the city hall at Buffalo, N.Y., and asked the Board of Education to suspend classes in Buffalo schools for one day in sympathy with mothers in Little Rock fighting for school integration.

The mothers were members of an organization called "Mothers Team of Top Aides Sent to Little Rock"

WASHINGTON (U)—Atty. Gen. Rogers said today he has sent a team of top aides to Little Rock, Ark. The move was a follow-up to Rogers' proposals that local and federal authorities act jointly in any trouble which may arise from a resumption of racial integration at Central High School.

The announcement coincided with a special session of the Supreme Court to hear argument on the question whether Central's desegregation program should be postponed for 2½ years. The school is scheduled to open next Monday.

**Alliance to Stop School Segregation.** The board said it would consider their request.

At Nashville, Tenn., the State Board of Education gave Memphis State University permission to delay admission of Negroes until next year.

An NAACP attorney at Van Buren, Ark., asked a federal court to order the Van Buren school board to carry out its gradual integration plan at the high school. A boycott by white pupils kept 13 Negroes away from classes at the school Friday.

Here briefly are the conflicting arguments, as set forth in legal briefs filed in advance of today's arguments:

By the school board:

1. It made a prompt start toward integration and has continued throughout to act in good faith. Because of severe impairment of the educational system, both present and prospective, it is entitled to a postponement "regardless of the source and motivation of the destructive forces."

2. Thousands of school districts in the South have made no step toward integration and are conducting educational programs without harassment of any sort.

3. Thus, the board says, it would be the height of irony if the Little Rock school district, having made the start in good faith, were denied the postponement it seeks.

# WARREN RESERVES AT SHEFFIELD FRIDAY

Warren Reserves will tangle with Sheffield Friday afternoon at Sheffield. Wolverine mentor Lou DeRubies reports that his charges have been "working real hard" and believes the past four weeks of scrimmages and plays "will prove fruitful." Sheffield starters are in shape, only problem being a lack in depth as far as reserves are concerned. They went through a light practice today. Star end Fred Benson will not be in action due to a pulled leg muscle. George Slater, guard, will possibly be out with a sprained ankle. Warren's last-minute maneuvers look very promising, the boys concentrating on their job wholeheartedly.

meet force with force if the Communists seemed about to wrest the islands from the Nationalists.

The New York Times said today the U.S. commander in chief in the Pacific, Adm. Harry D. Felt, was reliably reported to have questioned some of the premises of the U.S. policy in the crisis over the Formosa Strait.

A Washington dispatch to the newspaper said Felt, who recently assumed his post, is understood to have revealed his feelings in a series of messages to the Joint Chiefs of Staff.

In the messages Felt is said to have raised questions about the wisdom of defending the Nationalist-held offshore islands of Quemoy and Matsu, the adequacy of U.S. stocks of conventional explosives, and the effectiveness of the Chinese Nationalist forces.

However, Gen. Nathan Twining, chairman of the Joint Chiefs, said in Washington today the report "is not true."

And in Manila Felt himself denied today he had any policy differences with Washington over American moves in the Formosa crisis.

Felt said points raised by the Times story were "conjectures" and contained inaccuracies.

# By KARL R. BAUMAN

WASHINGTON (AP)—The Supreme Court tackles today the momentous issue of how fast public school integration must move ahead.

The precise legal issue is a narrow one—whether a plan of integration, once in operation, may lawfully be suspended because of popular opposition to it. But the impact of the court's ruling is certain to be far reaching.

Specifically, the court will determine whether Little Rock's Central High School must readmit Negro students, whose attendance there last year brought on violence and the subsequent use of troops.

But the decision, whatever it is, will throw out guidelines to federal district judges grappling elsewhere with the vexing problem of applying the high court's 1955 command for "all deliberate speed" in integrating schools.

Any delay for Little Rock could mean more time for other areas of the Southland in their bitter stand against having Negroes and whites go to school together.

# 209 A. & P. Markets Are Closed by Strike

PITTSBURGH (AP)—A strike of 5,000 employees today closed 109 markets of the Great Atlantic & Pacific Tea Co. in western Pennsylvania, and in some sections of Eastern Ohio and West Virginia.

Another estimated 4,000 employees not involved in deadlocked contract talks were idled.

The 5,000 strikers are represented by local %&? OF THE Amalgamated Food Employees Local.

Pickets began appearing at the stores early today as last minute mediation efforts continued past the midnight strike deadline. Shortly after 8 a.m. the talks were recessed until 10 a.m. tomorrow.

## Veteran Medical Specialist in Warren is Dead

—Stokes Studio  
DR. R. L. YOUNG

Aged 78 and well known medical specialist in Warren for the past 40 years, Dr. Roy L. Young died at 1:45 a. m. today at his home, 305 West Third avenue.

Born in Strattonville, Clarion county, on May 29, 1888, he was graduated from Jefferson Medical College with the Class of 1908 and spent his early years in practice in Punxsutawney, Dayton, and Ludlow.

Following a period of Army service during World War I, he came to Warren and became well known in the field of eye, ear, nose and throat practice.

Dr. Young was a member and past president of Warren County Medical Society; a charter member of Warren Kiwanis Club; was a charter member of General Joseph Warren Lodge 726, F. and A. M., serving as its first treasurer and continuing in that post for 29 years.

Surviving him are two sisters, Mrs. W. L. Heston and Mrs. Sidney S. Smith, both of Punxsutawney. Preceding him in death on September 5, 1956, was his wife, Caroline E. Young, to whom he was married in 1905.

Dr. A. C. Schultz, of First Methodist church, will conduct funeral services in his memory at 1:00 p. m. Saturday, with interment following in Circle Hill cemetery at Punxsutawney.

**MRS. IDA STECKMEYER**  
Funeral services were held at 10:00 a. m. Tuesday in St. Bernard's church in Bradford for Mrs. Ida Barvian Steckmeyer, widow of Frank J. Steckmeyer and resident of Bradford for 45 years. Father Frederick P. Reilly, assistant pastor, officiated, with Father G. C. Ritchie, of St. Francis' church, in the sanctuary. Father Richard J. Stack said the committal prayer in St. Bernard's cemetery, where bearers were E. J. Rhone, Melvin Marsh, Eugene Williams, Ralph DeSantis and Jack Bauer.

Mrs. Steckmeyer, who died in Bradford Hospital early Sunday, had made her home for the past two years with her daughter, Mrs. Thomas Marsh of Warren. She had been hospitalized for the past six weeks. In addition to membership in several Bradford church groups, she was affiliated with Holy Redeemer church of Warren and with its Altar-Rosary Society.

**MRS. MARGARET PAYNE**  
Funeral services will be held in Marienville at 2:00 p. m. Friday for Mrs. Margaret T. Payne, life-long resident of that community. Rev. F. Eugene Donelson, of Youngsville EUB church, will officiate, followed by interment in Marienville cemetery.

Mrs. Payne, aged 86, died at 3:30 a. m. Wednesday at the home of her daughter, Mrs. Edward Nelson, in Youngsville, with whom she had made her home the past five years.

She is survived by six children and Frank Payne, Marienville; Mrs. Bertha Dodge and Mary Nelson, Youngsville; 25 grandchildren; 43 great-grandchildren; six great-great-grandchildren; two brothers, Thomas Greenawalt, of California, and Frank Greenawalt, of Punxsutawney; a sister, Minnie L. Beatty, of Leeper.

# Dragons Polishing Off for Saturday's Big Game

## Blue and White To Be in Good Shape for Opener in Spite of Injured on Bench

By LARRY

Tall-flapping Corry Beavers, predicted for Section II conference cellar this season, will contest Warren's fire-breathing Dragons on Memorial field Saturday at 1:30 in the opener of local scholastic football season, as Dragon Coach Ralph Veights' eleven are polished highly over the dull lustre of last year in an attempt to live up to their "Section II threat" reputation.

Seasonal injury plague has not hampered either Coach Veights or Beaver Mentor Lou Hanna's plans for their stars in starting lineup. Latest addition to the injury list for Warren included Jim Wick with a broken nose, but will be in Saturday's contest; Dick Sorenson was shook up Tuesday and had a temporary lapse of memory but is also slated for the opener. Two removed from the Corry encounter are Larry Lawton, fractured nose, returning in a couple of weeks, and Dick Fowler, removed all season in an off-field-sustained broken leg.

Ahead lies one of the toughest

est schedules for both Warren and Corry. Dragons last year saw one of their worst, losing eight and tying one. The team was young and immature as far as football was concerned. Veights happily reported that the squad is now very sharp and bright. The 11 lettermen have provided a much-needed experienced starting lineup. Beavers, on the other hand, will take to the field with five lettermen, a potent backfield attack and a junior-dominated line. One letterman, Dave Hillstrom, was lost for the season after a shoulder dislocation.

Big men for Warren carrying the experience and nearly the complete field and line are Dick Terry, Bill Brumagim, Bob Haslet, Jon Larson, Lou Mascaro, Bill Mervine, Jim Miller,

Kelly McCool, Don McKelvey, Jim Olson and Dick Sorenson. Corry's five vets include Terry Williams, reported to be out of Saturday's contest with a leg injury, but probable, as predictions say, will be starting for Hanna. Others are Ed Latos and John Morris, all three seniors; junior tackles Bob Lindsey and Jim Maloney.

The past four weeks found Warren concentrating on fundamentals, of which Veights is very well pleased with the outcome. He believes his charges are now ready to go. A new balanced line single wing was presented the boys and they worked it in very well with the T-formation. The balanced line was used in a scrimmage with Johnsonburg last week and worked very well. Also, eight man offensive line to offset defensive maneuvers of Corry produced an excellent outcome and is ready for Saturday.

Veights has noticed a needed improvement in the back. "The boys spin and fake very well, it's very effective," the Dragon mentor noted.

In back, probable starters Saturday are either Jon Larson or Dick White at left end. White is much improved over last year, both in experience and maturity. Dick has been "pretty good in scrimmages." Larson will be inserted into the

position, unless a bruised knee he's now nursing does not come around as hoped, although he's been doing fairly well.

Left tackle will be occupied by veteran Dick Sorenson. Kelly McCool or Don McKelvey will control left guard slot. It's been a pretty tight race. McKelvey has been used as utility man on the squad, being inserted in fullback, end and backer-up on guard. McCool is the smallest on line in back field but is the best blocker, sharp and is very fast. Big Bill Mervine, powerhouse and biggest man on the squad, is center. He's big boy on defensive. With a physical structure change, Jim Miller will possibly be in right guard position. Jim is very fast, and "can run some of my halfbacks in the ground," Veights commented, "he's the spark plug of the line," added the coach.

Right tackle is Jim Olson, a very steady player who'll give it all he's got. A boy badly missed by Veights latter part of the '57 season, Bill Brumagim, has been doing a very good job at end, both offense and defense. In the Titusville game last year, third on the schedule, Bill sustained a back injury removing him from remainder of season. Back will be Lou Mascaro. "One of the smoothest, smartest ball players I ever had the pleasure to work with in coaching," Veights observed. Bob Haslet will be at halfback, being removed past two seasons with injuries. He's been a big help this year. Smallest man on the team is right half Dick Terry, who has good speed. Big gun in back field, he has worked in very nicely.

Three players are prospects for the kickoff—junior Larry Moyer, sophomore Ron Seder or Haslet. Extra point procedure remains to be seen. Possibly kicking for the point or goal line plays will be used, McKelvey booting.

Veights expressed appreciation to his assistant coaches. "Warren Carr has been a tremendous help in coaching the line," Ralph said, "Dan Stimmell helped with the backfield before the freshmen came out for practice. Gene Williams, freshmen coach with Stimmell, has done a commendable job, as has Wally and Jim Jewell with J. V. squad."

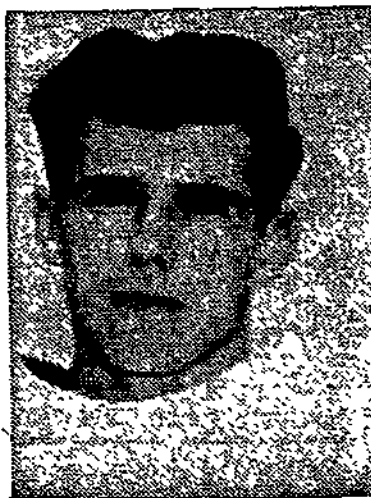

Warren will be prepared to meet with Section II conference challenge against Franklin, here Sept. 20; Titusville, here, Sept. 27; Oil City, there, night, Oct. 3; and Meadville, here, Oct. 11. Titusville shows a decrease in power from 1957.

"No one can tell how Saturday's game will turn out. I'm hopeful we can give Corry a good game," Veights said.

The schedule:  
Sept. 13—Corry—H\*  
Sept. 20—Franklin—H\*  
Sept. 27—Titusville—T\*  
Oct. 3—Oil City—T\*  
Oct. 11—Meadville—H\*  
Oct. 17—Bradford—T\*  
Oct. 25—Bradford—H\*  
Nov. 1—Kane—T\*  
Nov. 8—Jamestown—H\*  
\* Denotes Section II games.

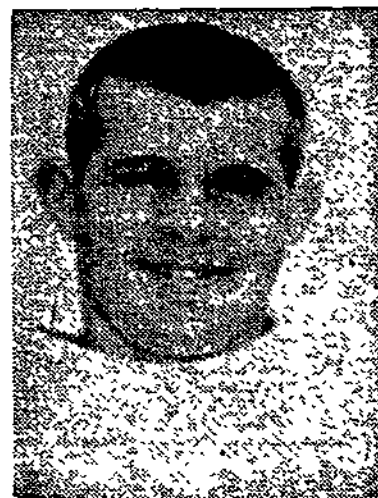

**FOOTBALL MEETING MOVED TO TONIGHT**  
Warren County Football meeting originally scheduled for last evening, was canceled until this evening at 7:30 in YMCA.

## Introducing 1958 Dragons

KELLY MCCOOL

Seeing grid action for the fourth year, 17-year-old Kelly McCool, son of Mr. and Mrs. James McCool, 9 Parker street, is holding guard position capably for Coach Ralph Veights, playing fullback position last season. Kelly, of course, will undoubtedly be seen in the starting line. He'll star on both offense and defense, same as last year. Having received one letter in football, Kelly played baseball for the Dragons last spring, receiving 1 letter. Morale is high among WHS grid-ders as scrimmages and practices have resulted in the expectations of a fine showing. "I think we'll do all right with the experience we had last year," Kelly replied. As fan support of the home contests, especially, are concerned, 5'10"-160 pound McCool commented, "We need it more than ever this year." College fills his plans for the future after graduation.

DON MCKELVEY

Shifted from an end to a guard position this season, Don McKelvey again dons a jersey the fourth season for Warren High Dragons as they make last-minute preparations for their first encounter this season against Corry Beavers Saturday at 1:30 p. m. A senior, Don is expected to be on starting lineup, defensive. Last season, he saw action in both defensive and offensive plays. The 6 foot-172 pounder has received two letters in football, 1 each in basketball and baseball. Son of Mr. and Mrs. Hugh J. McKelvey, 115½ Water street, "Hugh" notes that "The team looks good this year, both on offense and defense." Jubilant over "Back the Dragons" promotion, Don said, "We need all the support we can get this year." Future plans include college after graduation in June.

## 'BACK-THE-DRAGONS!'

There'll be a hot time in the old town tomorrow night when "Back the Dragons" climax will roll off on Beatty Field at 8:45 with a bonfire, pep rally and possibly a snake dance, backgrounded by Warren High cheerleaders, varsity football squad and band.

Cheerleaders will be stationed in Warren's business district Friday evening with season tickets for convenience of shoppers. All are invited to view merchant's windows specially decorated with grid materials for the promotion. Fans are extended an invitation to participate in the festivities on Beatty field.

Cardboard boxes and bunched papers, no loose sheets, are needed for the fire. Warren and area residents are asked to take paper material to Beatty Field. It may be left on the Third street side of the field across from Beatty school. A small opening where trees have been removed east of the bridge will allow for dumping of boxes over the bank. Residents are cautioned not to disturb the hedge.

Warren Dragons open their 1958 campaign Saturday against Corry Beavers on Memorial field at 1:30. After the game, a drawing will be conducted, lucky number winning the football—autographed by Warren players. Kids, this is your chance to have a genuine football used by Warren Dragons to show off in your neighborhood.

## Women's City League Schedule

Hits, misses, stars, strikes and splits again ring through alleys as bowling season runs smoothly in high gear with the organization of various leagues. Newest roster to be developed is Women City League at Penn Alley. League begins competition Monday evening at 6:30 on the Penn Lanes.

## Field and Stream Club Approves Stocking Plans

Warren Field and Stream club met in YMCA Tuesday evening and reversed their original proposition to have Chapman Dam lake stocked with warm water fish instead of trout by a motion made from the floor to give their support in the state-suggested trout stocking.

Plans were also announced to bring Wally Tabar, famous wildlife expert, to Warren sometime in February, for the third time in recent months. Tabar shows films of his adventures and presents very exciting and intriguing stories on his actual experiences.

The club dam above Chandlers Valley, a 12-acre plot of land, is now a main object in Field and Stream club's plans for repairs and completion. The dam was washed out last summer. After readiness, fish and wildlife will inhabit the area.

A Junior Conservation club is in the planning stages. The club will be an "army" of Field and Stream, composed of the younger sportsmen of high school age. Further developments along this line are expected shortly.

Warren Field and Stream is one of the 16 clubs which composes Warren County Council of Sportsmen. A delegate from each of the 16 clubs meet with the others the second Tuesday every two months to jell ideas and propose new laws. Representatives of the Council then represents Warren County at the Northwestern Federation meeting. Next Field and Stream meeting is slated for October 14; November 13 for the Council.

Sportsmen in Warren County are extended a cordial invitation to all Field and Stream club meetings to pool their ideas, which kept to themselves, are of no help to either themselves, other sportsmen or the wildlife. Membership in the club, organized for conservation and preservation of wildlife and to further sportsmanship, is \$1 per year.

Sponsors of a special conservation class in Warren High School, which has been termed very successful each year, Field and Stream is sponsoring the class on a field trip the end of this month. A chartered bus will take the students and instructor John "Jack" Reddick to Warren's new sewage treatment plant, Peterson farm where soil conservation will be observed, game lands at Youngsville and the state fish hatchery at Farnsworth.

## Rumors of a Big Cardinal Shake Up Continue to Grow

ST. LOUIS (AP) — Alvin Dark and Birdie Tebbetts seem to be the most likely candidates to replace Fred Hutchinson, under fire as manager of the St. Louis Cardinals.

Reports that Hutchinson, along with all the Cardinals coaches, would be fired continued to mount despite denials.

Cardinal executives, including President August A. Busch, have repeatedly said no decision about a manager will be made until the season is over. But only Wednesday in New York, Dick Meyer said, "Frankly things don't look

## Parents the Solution

By LARRY

Again, where does the solution lie, with the parents?

Attempts by citizens in Warren to organize a midget football league has been given a discouraging blow by the low ebb of registration.

From August when Hot Stove baseball season ends to winter snow, there is little, if anything, to occupy the younger set's time. This league was organized with the thought in mind to give boys a hobby, something to do—and to keep them from juvenile court and the judge.

Other communities have successful teams, why can't Warren?

The proposed league here is Junior and Senior Flag Football. Played in the same manner, with the same rules and on the same field as tackle football, the league's action will be confined between tap and tackle football. Backfield and two ends will have a towel in their back pockets. Opposing team will remove towel from ball-carrying player's pocket. It's rough and tough, but safe and sane.

Junior division is opened for 5th and 6th graders, senior for 7th and 8th graders. To be eligible to play, register. Tennis shoes, a helmet and shoulder pads should be furnished by the player. If unable to, contact Tony Tomassoni at 3948. If the league is successful this year, sponsors, insurance and equipment will be purchased next season. The league will then be eligible to join Little League Football Association of America.

Communities outside of Warren are especially invited to join. Interested parties should contact Tony at the above number or Sam Loomis at 4197-R. An entry blank appears on the sports page today. Fill out and return to your registration chairman, if known, or take to 23 South Street.

Thought for the day: Would it be possible to have two teams play the preliminary at Warren-Corry grid game Saturday on Memorial—and at all five home games? Little League players and officials say, "Back the Dragons—We Are."

## Prospects for Expanding Major League Baseball

Fourth of a Series

By RUSS WHEATLEY  
Canadian Press Sports Writer  
MONTREAL (AP) — There doesn't seem a ghost of a chance of Montreal, Canada's metropolis, getting into big league baseball until somebody does something about a stadium.

There has also been no indication of any well-heeled individual or group talking in terms of franchise purchase.

In the past four years, the City Council has kicked around a proposal for a 10-million-dollar sports center. Currently it is dormant.

The present home of the Montreal Royals of the triple A International League has a seating capacity of 20,000. There are no parking facilities.

Montreal is a sports-minded city. The Montreal Canadiens drew close to 14,000 at each of the 35 home hockey games last season. The Alouettes in pro football draw a capacity 21,000 or so at each of seven home games—plus playoffs if any.

Two modern harness-racing plants operate 100 days—or nights—each, from spring to late fall.

One meeting, just closed, drew nearly 550,000.

The city has done nothing itself toward a big league berth other than discuss the sports center, which reached the blueprint stage.

Tentative plans called for a stadium of anywhere from 40,000 to 80,000 capacity, suitable for baseball, football and such spectacles as Olympic Games. There were also provisions for virtually every sport and parking space for 10,000 cars.

Opposition arose in City Council when there was a proposal that the sports center be rented to a committee or group of businessmen for \$500,000 a year. Opponents felt the place would become more of a shopping center and a stadium only secondarily.

Over the last few years the Royals' season attendance has averaged around 225,000. The high was 477,000 in 1948.

Montreal proper has a population of more than one million.

Baseball men figure a potential drawing area for big league ball here as 2½ million persons at least. Upper New York and Vermont would contribute.

## U. S. Amateur Enters The Fifth Round Today

By JACK STEVENSON  
SAN FRANCISCO (AP) — Three golfing collegians confidently faced tough, experienced former champions Harvie Ward, Charlie Coe and Dick Chapman in the fifth round of the U.S. Amateur Tournament today.

"Sure, I think I can beat Ward," declared 20-year-old Ward Weislauber, a senior at Hamilton College in New York. "I'll surprise the golfing world. My game is at its peak."

Ward, who won in 1955 and 1956, commented: "At this stage, every match is tough. The tide is at stake on every shot."

Looking Over College Grid Teams During Scrimmages

By JACK CLARY  
Associated Press Sports Writer  
Take the first major fall college football scrimmage, the movies of what happened therein and the next full practice day and what to you have? The three R's—replace, reorganize and recuperate.

That boils down the activity on the collegiate football front as coaches begin casting an eye on the calendar that has some of them opening the season in 11 days, the rest within 18.

Kansas Coach Jack Mitchell replaced Dewitt Lewis at left end with Sam Simpson, put Fred Bukaty at fullback and moved Wait Schmidt from center back to tackle after weighing last Saturday's scrimmage.

At Wisconsin, the shakeup was heard quite a distance as Milt Bruhn dropped five first stringers and 1957 lettermen to the second and third teams, including co-captain Jon Hobbs to the second team.

Latest Win Gives Pirates 5 1/2 Game Lead Over Giants

By ED WILKS  
Associated Press Sports Writer  
Bob Friend of the Pittsburgh Pirates is the first pitcher to win 20 games in the National League this year.

Friend, 27, had to go 10 innings to do it, beating San Francisco 6-4 on Dick Stuart's two-out, two-run homer.

The Giants tagged him for a dozen hits and three walks. But Friend, with his mates getting only three hits over the last eight innings, left 11 on base and blanked the Giants on four singles over the last five frames.

The Bucs now hold second place by 5 1/2 games over the Giants with the three-game sweep. The Milwaukee Braves, 6 1/2 games ahead, kept rolling toward a second straight pennant by beating Cincinnati 3-0 on Juan Pizarro's three-hitter.

St. Louis tied Cincinnati for fourth, beating the Chicago Cubs 3-1. Philadelphia knocked off Los Angeles 8-6.

Pizarro (6-2), a 21-year-old southpaw, gave up only a pair of singles by Pete Whisenant and Johnny Temple's double while gaining his first major league shutout. The Braves beat Bob Purkey (16-10) with a fifth-inning run on Billy Bruton's bunt and a two-out single by Red Schoendienst.

A pair of errors helped the Cards in a winning, two-run fifth while Wilmer Mizell (10-11) breezed with a four-hitter. Taylor Phillips (7-9) was the loser.

The Phils scored seven runs, three unearned, in three innings against loser Don Drysdale (11-13).

"Back-the-Indians" Drive Draws 50,021 Into Stadium

By ED WILKS  
Associated Press Sports Writer

That "back-the-Indians" drive paid off with a crowd of 50,021 and a touch of irony at Cleveland Wednesday night.

It was the Tribe's largest night game draw since 1954, the last year they won the American League pennant. But the Indians came through with the same sort of play that has kept the folks away ever since, losing 8-3 to the New York Yankees. Two of their runs were unearned, and the third was hustled home on three walks and a hit batsman.

It was a Bill Vecek type deal that brought out the crowd. Fireworks, music, entertainment, prizes and a chance to see the Yankees, who had lost four of their last five games and seven of their last 12, reduce their magic number to five.

The Chicago White Sox, with nothing else to shoot for, padded their second-place edge over Boston to 2 1/2 games by beating the Red Sox 7-2. Washington knocked off Detroit 5-4 and Kansas City defeated Baltimore 4-2.

Southpaw Billy Pierce allowed eight hits and won his 16th for the White Sox. The White Sox broke a 2-all tie with five runs in the eighth off reliever Murray Wall (7-9).

Clint Courtney drove in four runs for the Senators, who were shut out on one hit by Paul Foytack (12-12) for five innings. Courtney's two-run double capped a three-run sixth, and his seventh homer was good for a clinching two runs in the eighth. Charlie Maxwell hit his third career grand-slam homer in the third for the Tigers, who then were blanked by Russ Kammerer and winning reliever Tex Clevenger (9-8).

Spider Webb and Fullmer Match Fists Tonight

SALT LAKE CITY (AP)—Spider Webb of Chicago and champion Gene Fullmer match wits and fists in a 10-round midweight bout here tonight (9 p.m. MST).

Both expect to weigh slightly less than the 160-pound limit.

Fullmer, who held the middleweight title briefly in 1957, was rated only an even match for the heavier—punching Webb, twice NCAA champion at Idaho State College.

Fullmer is the number two midweight contender. The fight against Webb marks his first big-time competition since he lost the title to Sugar Ray Robinson more than 18 months ago.

Fullmer, from nearby West Jordan, Utah, has a 49-4 record.

Webb is rated fourth by Ring magazine and seventh by the National Boxing Assn.

Webb 23-3 in his career, won four this year and was upset by Holly Mims.

Tiger Jones Wins Over Crawford in 10th Round Kayo

By CHARLES CHAMBERLAIN  
Associated Press Sports Writer  
CHICAGO (AP)—Art student Mickey Crawford, fourth ranking welterweight contender, got himself put on canvas Wednesday night—but it wasn't a self portrait.

Tiger Jones, that old villain of televised fights who has spoiled many a youngster's hopes, docked Crawford twice with rights and the fight was stopped in 1:04 of the 10th round.

Crawford, 24, was six pounds overweight at 154. Apparently this excess baggage made him sluggish. Jones pumped shots at him nearly at will, chasing him around the ring in every round in what undoubtedly was the most road work the 30-year-old veteran has had for some time.

Sports In Brief

**TENNIS**

TORONTO—Bob Bedard, Canadian champion from Sherbrooke, Que., upset Ulf Schmidt of Sweden, 6-1, 6-2, in the third round of the International Invitation tournament.

**RACING**

NEW YORK—Warhead (\$5.70) came on gamely in the stretch to beat Gray Monarch by a head in the \$30,200 Discovery Handicap at Belmont Park.

ATLANTIC CITY—Demobilize (\$10.40) won the \$30,000 World's Playground Stakes by a head at Atlantic City.

Mrs. Friend Cries Happiness Tears Over Bob's Win

By GEORGE ESPER  
PITTSBURGH (AP)—Bob Friend's wife, Pat, cried Wednesday night. But her tears were tears of happiness.

She shared the joy of her husband who became the first Pittsburgh Pirate pitcher since 1951 to win 20 games in one season and the first National League pitcher to accomplish the feat this year.

"The right-hander, who broke into the majors in 1951 with the Pirates and whose best previous year was 1956 when he won 17, beat the San Francisco Giants 6-4 in 10 innings after a shaky start.

"It was the greatest thrill of my career, a milestone in my life," Friend said in the dressing room.

Friend allowed the Giants 11 hits, half of them coming in the first three innings. One of the hits was a two-run homer by Daryl Spencer in the third inning.

Palmer Thinks 271 to 273 Will Win Denver PGA

DENVER (AP)—The PGA's leading money winner so far this year, Arnold Palmer from Latrobe, Pa., says a score of 271 to 273 should be enough to pick up the \$2,000 first prize in the \$20,000 Denver Open Centennial tournament beginning today.

The 72-hole medal play event will wind up Sunday.

"The greens are excellent, but the pins are in tough spots," Palmer said after a practice round in 70 strokes. He is this year's Masters Tournament champion and has collected \$39,827 since the first of the year.

The first major PGA tournament in Denver in 10 years has galleries about evenly divided between Palmer and Dow Finsterwald, National PGA champion from Tequesta, Fla., for the choice of favorite.

The road runner is New Mexico's state bird.

# NASA at Work on Projects To Explore Moon-Planets

By VERN HAUGHLAND  
Assoc. Press Aviation Writer

WASHINGTON — The newly established National Aeronautics and Space Administration has detailed plans to probe the skies with a whole series of earth satellites.

These are for the ahead. For the more distant future NASA is already at work on projects to explore the moon and then move on to the planets.

NASA's program plans were disclosed for the first time at a packed-to-capacity dinner meeting of the Institute of the

Aeronautical Sciences Tuesday night.

They were outlined by Edgar M. Cortright of the Lewis Flight Propulsion Laboratory at Cleveland, a major unit of the National Advisory Committee for Aeronautics. NASA is the process of space-age transformation into NASA.

Cortright said he believed that through the NASA programs man would:

1. Be placed in orbit around the earth within two years.
2. Land on the moon and return to earth, within 6 to 10 years.
3. Undertake exploration of

Mars, but certainly not for at least 10 to 15 years.

Cortright described 16 space experiments which NASA has ready or can get under way within its first year of operation. Some can be combined, so that the actual number of launchings required has not been determined.

Seven experiments involve satellites weighing between 100 and 120 pounds, launched into orbits some 300 miles above the earth.

One satellite, used in geodetic measurements, would be equipped with a flashing light so that it could be sighted simultaneously from various tracking stations.

Two satellites would be specially designed to study the earth's cloud cover. Others would investigate aurora, air glow and primary particles which color the early morning skies.

A 100-pound satellite inflating to a diameter of 100 feet, for studies of communications, radar and air density, would be launched before next July. Some of the satellites in this series would carry living organisms—yeast, initially—into space.

Nine of the proposed experiments would involve satellites weighing more than 200 pounds, orbiting at more than 300 miles and serving as stabilized platforms.

## Adult Education Classes Planned At Brokenstraw

Holding its September meeting at Youngsville High School building Monday evening, the Joint Committee of Brokenstraw Valley Joint Schools decided to offer a program of adult education classes in those study areas where there is sufficient demand.

In order to help defray expenses of the program, it was decided to charge a \$5 per class fee for each registrant, with no refund unless there is a change in the state regulations which allow the state to reimburse for adult education classes.

It was further decided a minimum of nine persons will be required in order to offer courses in art and driver education; with a minimum of 15 in any other subject. Information concerning registration will be announced soon.

The application of Joseph F. Hack, as social studies teacher in the Senior High School was approved. Other persons employed for the school year included Mrs. Irene Johnson at Lottsville cafeteria, Mrs. Jane Mason at Irvine cafeteria and Richard Wood as custodian at Youngsville buildings, filling the vacancy created by the resignation of Cleve J. Richards.

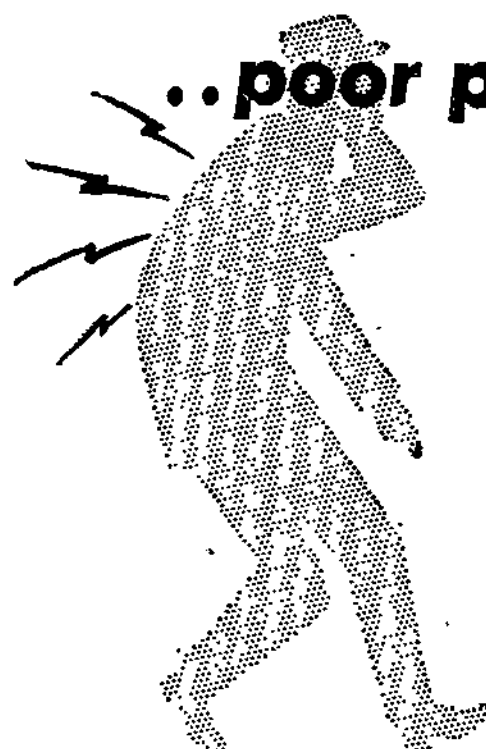

H. J. Sherwood announced it has been necessary to change the date of local institute, previously set for Monday, October 6, to Monday, October 27. This change is necessary in order to obtain the services of Miss Foster, teaching consultant for D. C. Heath Book Company. It was reported the insurance committee has chosen a student accident insurance policy offered by the Progressive Insurance Company to be made available to all students during early October. Premium for each student, grades 1 through 12, will be \$2.00 per year, details of the coverage and registration to be sent to each home.

Gilbert Anderson and Donald Johnson were authorized to represent the school district at the surplus property warehouse at Harrisburg next Monday.

Mr. Sherwood presented an enrollment summary as follows: Elementary—Youngsville kindergarten, 46; special education, 11; first grade, 148; second, 142; third, 112; fourth, 139; fifth, 120; sixth, 118. High School—Seventh grade, 135; eighth, 111; ninth, 119; tenth, 123; eleventh, 103; twelfth, 84. Total, 1,511.

It was brought to attention of the board the book collection in the High School library has

outgrown available shelf space and the purchase of a six-foot double-faced library stack, quoted by DeLuxe Metal Furniture Co. in the amount of \$142.64, was authorized. This additional stack will add about 72 linear feet of shelf space to library facilities.

Gilbert Anderson reported completion of the contract for re-roofing the Burns Building and the contract for re-lighting the High School auditorium, and the board approved payment.

## Radio and TV

By CHARLES MERCER  
NEW YORK (AP) — "That television camera has a tendency to make you appear square-shaped," says Ginger Rogers, who is not in the least square-shaped. "It can play some awfully naughty tricks on a woman." She cannot recall, however, that it has played distorting tricks on her.

"If it isn't at the right angle, you can look awfully bad," concludes Miss Rogers, who looks very good from any angle.

Despite these feminine reservations, she is not worried about her first television program, in which she will appear as a singing, dancing hostess instead of as a guest.

CBS-TV will present the special hour show Oct. 15.

Her confidence is based principally on the fact that the program will be produced and directed by Bob Banner as his first CBS production after leaving the Dinah Shore Show. Banner, says Miss Rogers, is acutely aware of the dirty tricks a TV camera can play on a woman—and he makes sure it doesn't.

Dancers face special hazards on television, she says. "You're completely at the mercy of the cameramen. If they aren't on target, they can louse you up badly. They can cut off your feet or they can pull you so far at such a high angle that you look like a small dot away down there to the audience."

It's important to rehearse dancing for a TV show in the same place where the show will be televised, she says, so that you'll know the exact geography of the stage and your routine. "Your partner has to know exactly where to be—and the cameras have to," she adds.

Fortunately for both Dinah Shore and Miss Rogers, her guest, they rehearsed a dance number together with soap bubbles floating down before a show went on the air some time ago. When the bubbles hit the stage, it was made slippery.

"If the stage had been that slippery when the show was on the air," Miss Rogers said, "absolutely anything could have happened to us. And how would we have explained it? Announce to the audience that soap is slippery?"

Of reports that she is negotiating with NBC-TV for her own program series, Miss Rogers will say only this: "We're engaged. But we haven't picked a date for the wedding or

a church where it will be held. I don't have a ring or a trousseau and we haven't the vaguest idea where we'll go on our honeymoon."
